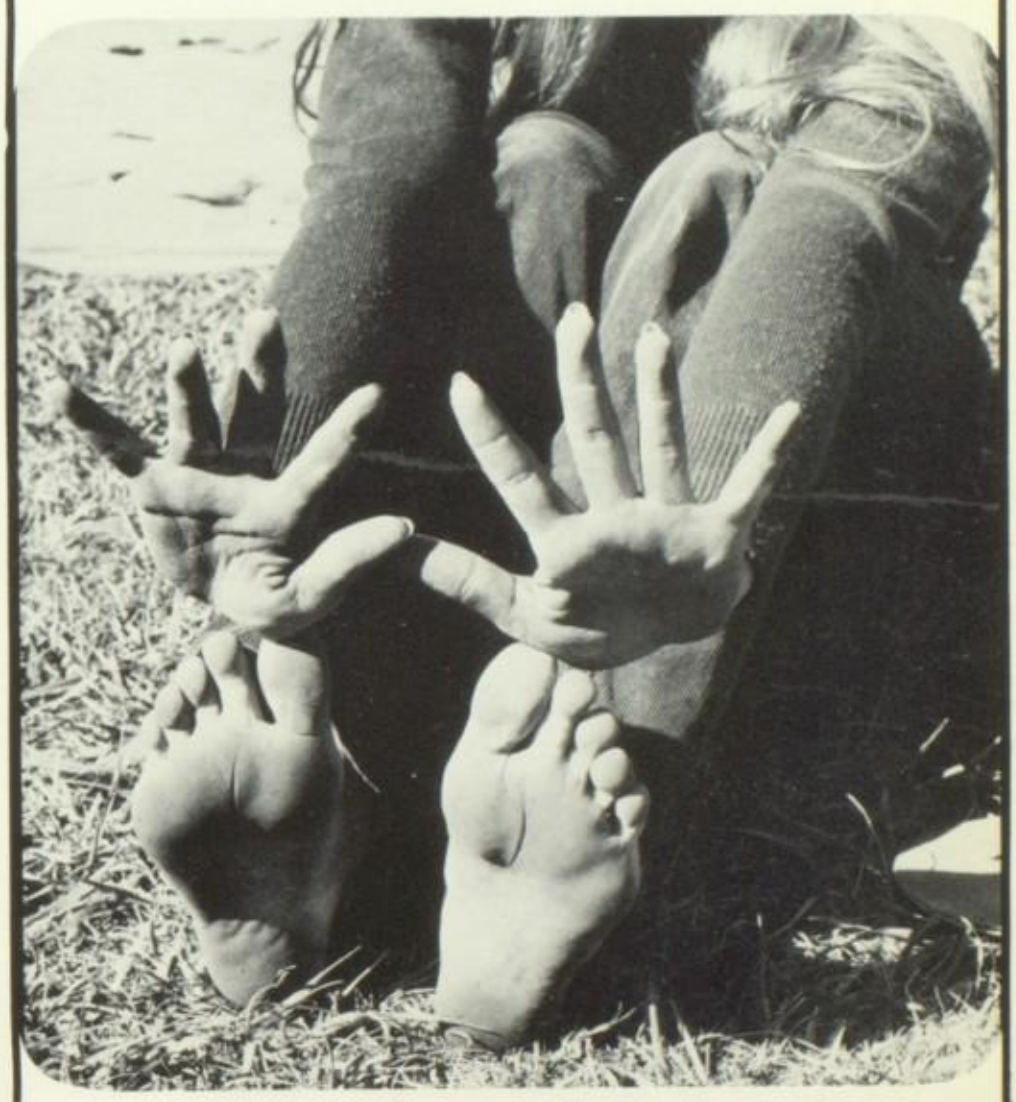
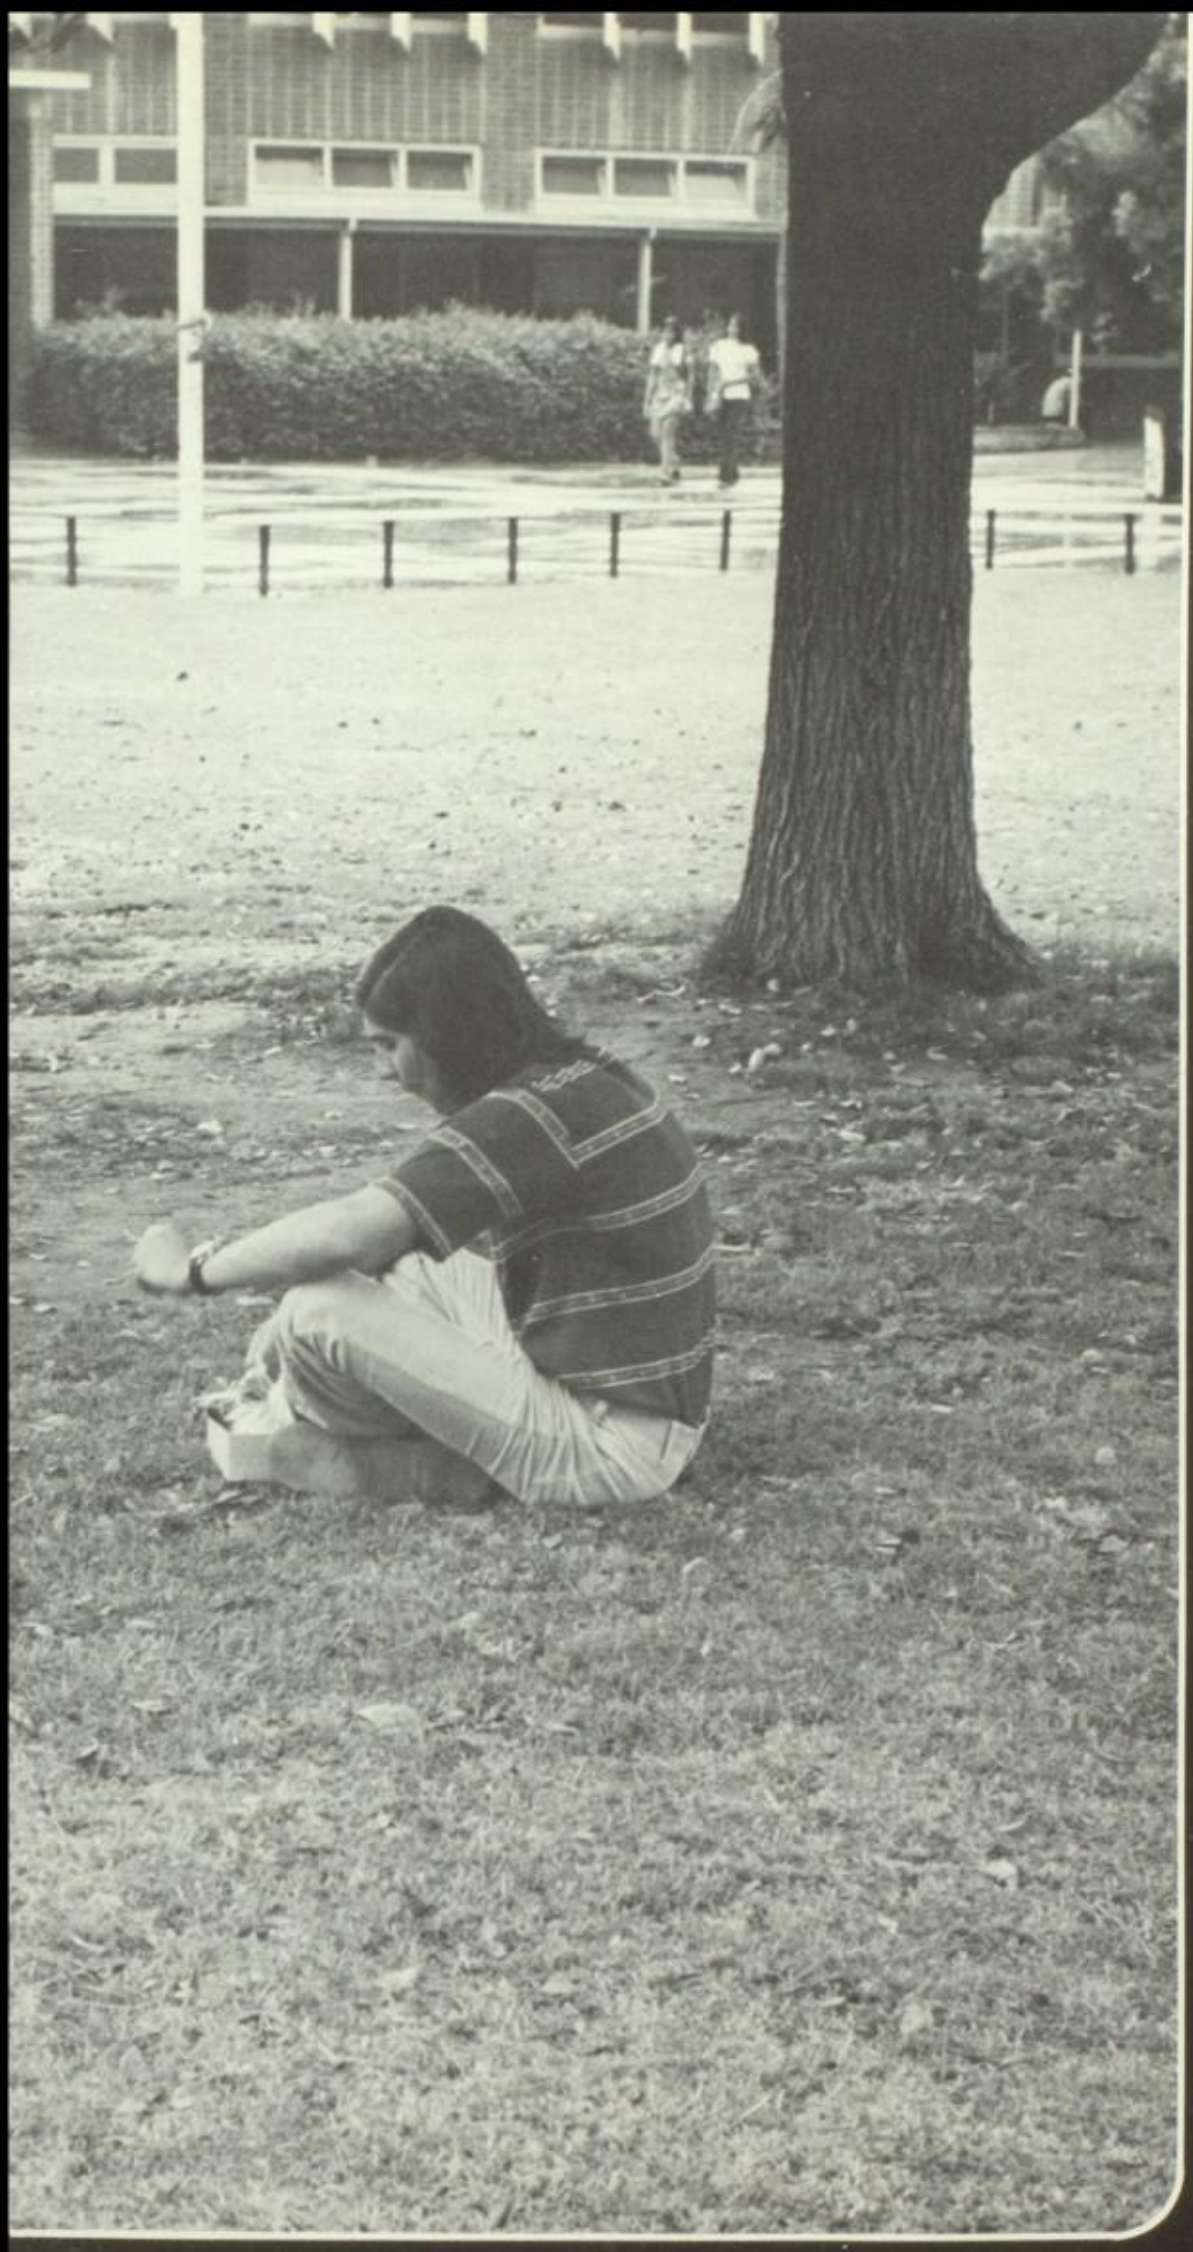
The Por El Ano* is published annually by the Associated Student Body, El Rancho High School, Pico Rivera, California. Roxanne Fisher, Editor-in-Chief, Mrs. Guila Hales, Advisor.

*Por El Año—the Spanish Phrase meaning "through the year."
Volume 21

In the twenty years of El Rancho High School, the buildings have expanded, the graduating classes have grown, but the needs of the people have stayed the same.

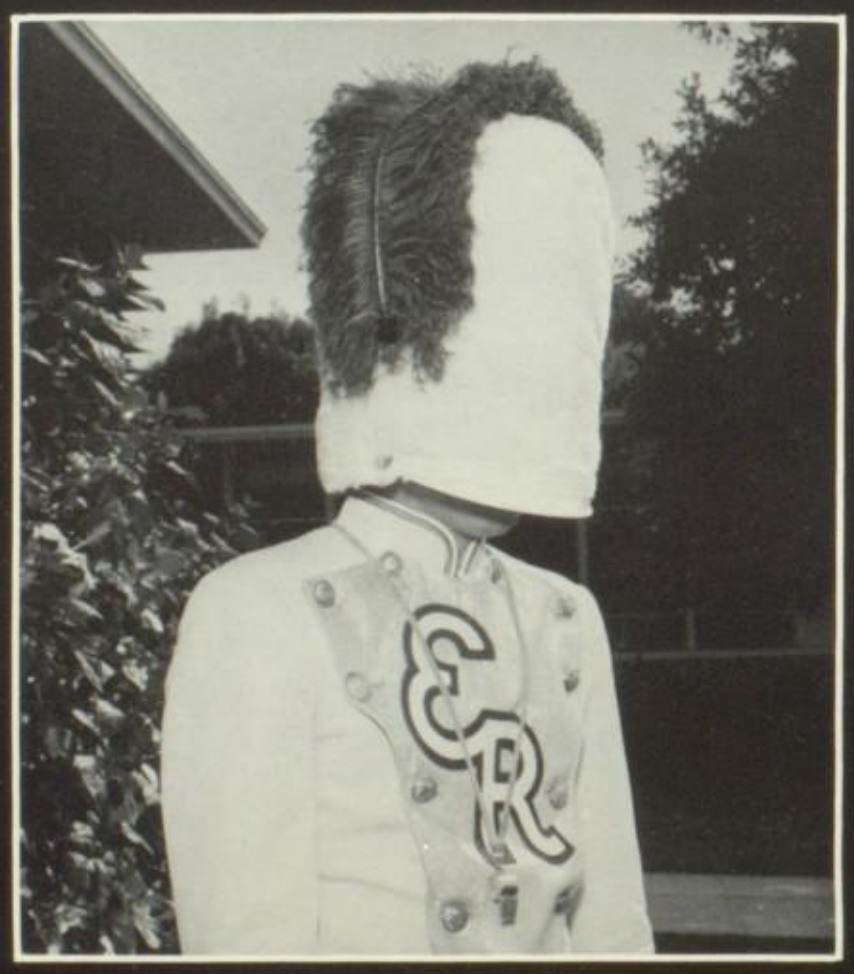


There is still the need for a person to be. . .

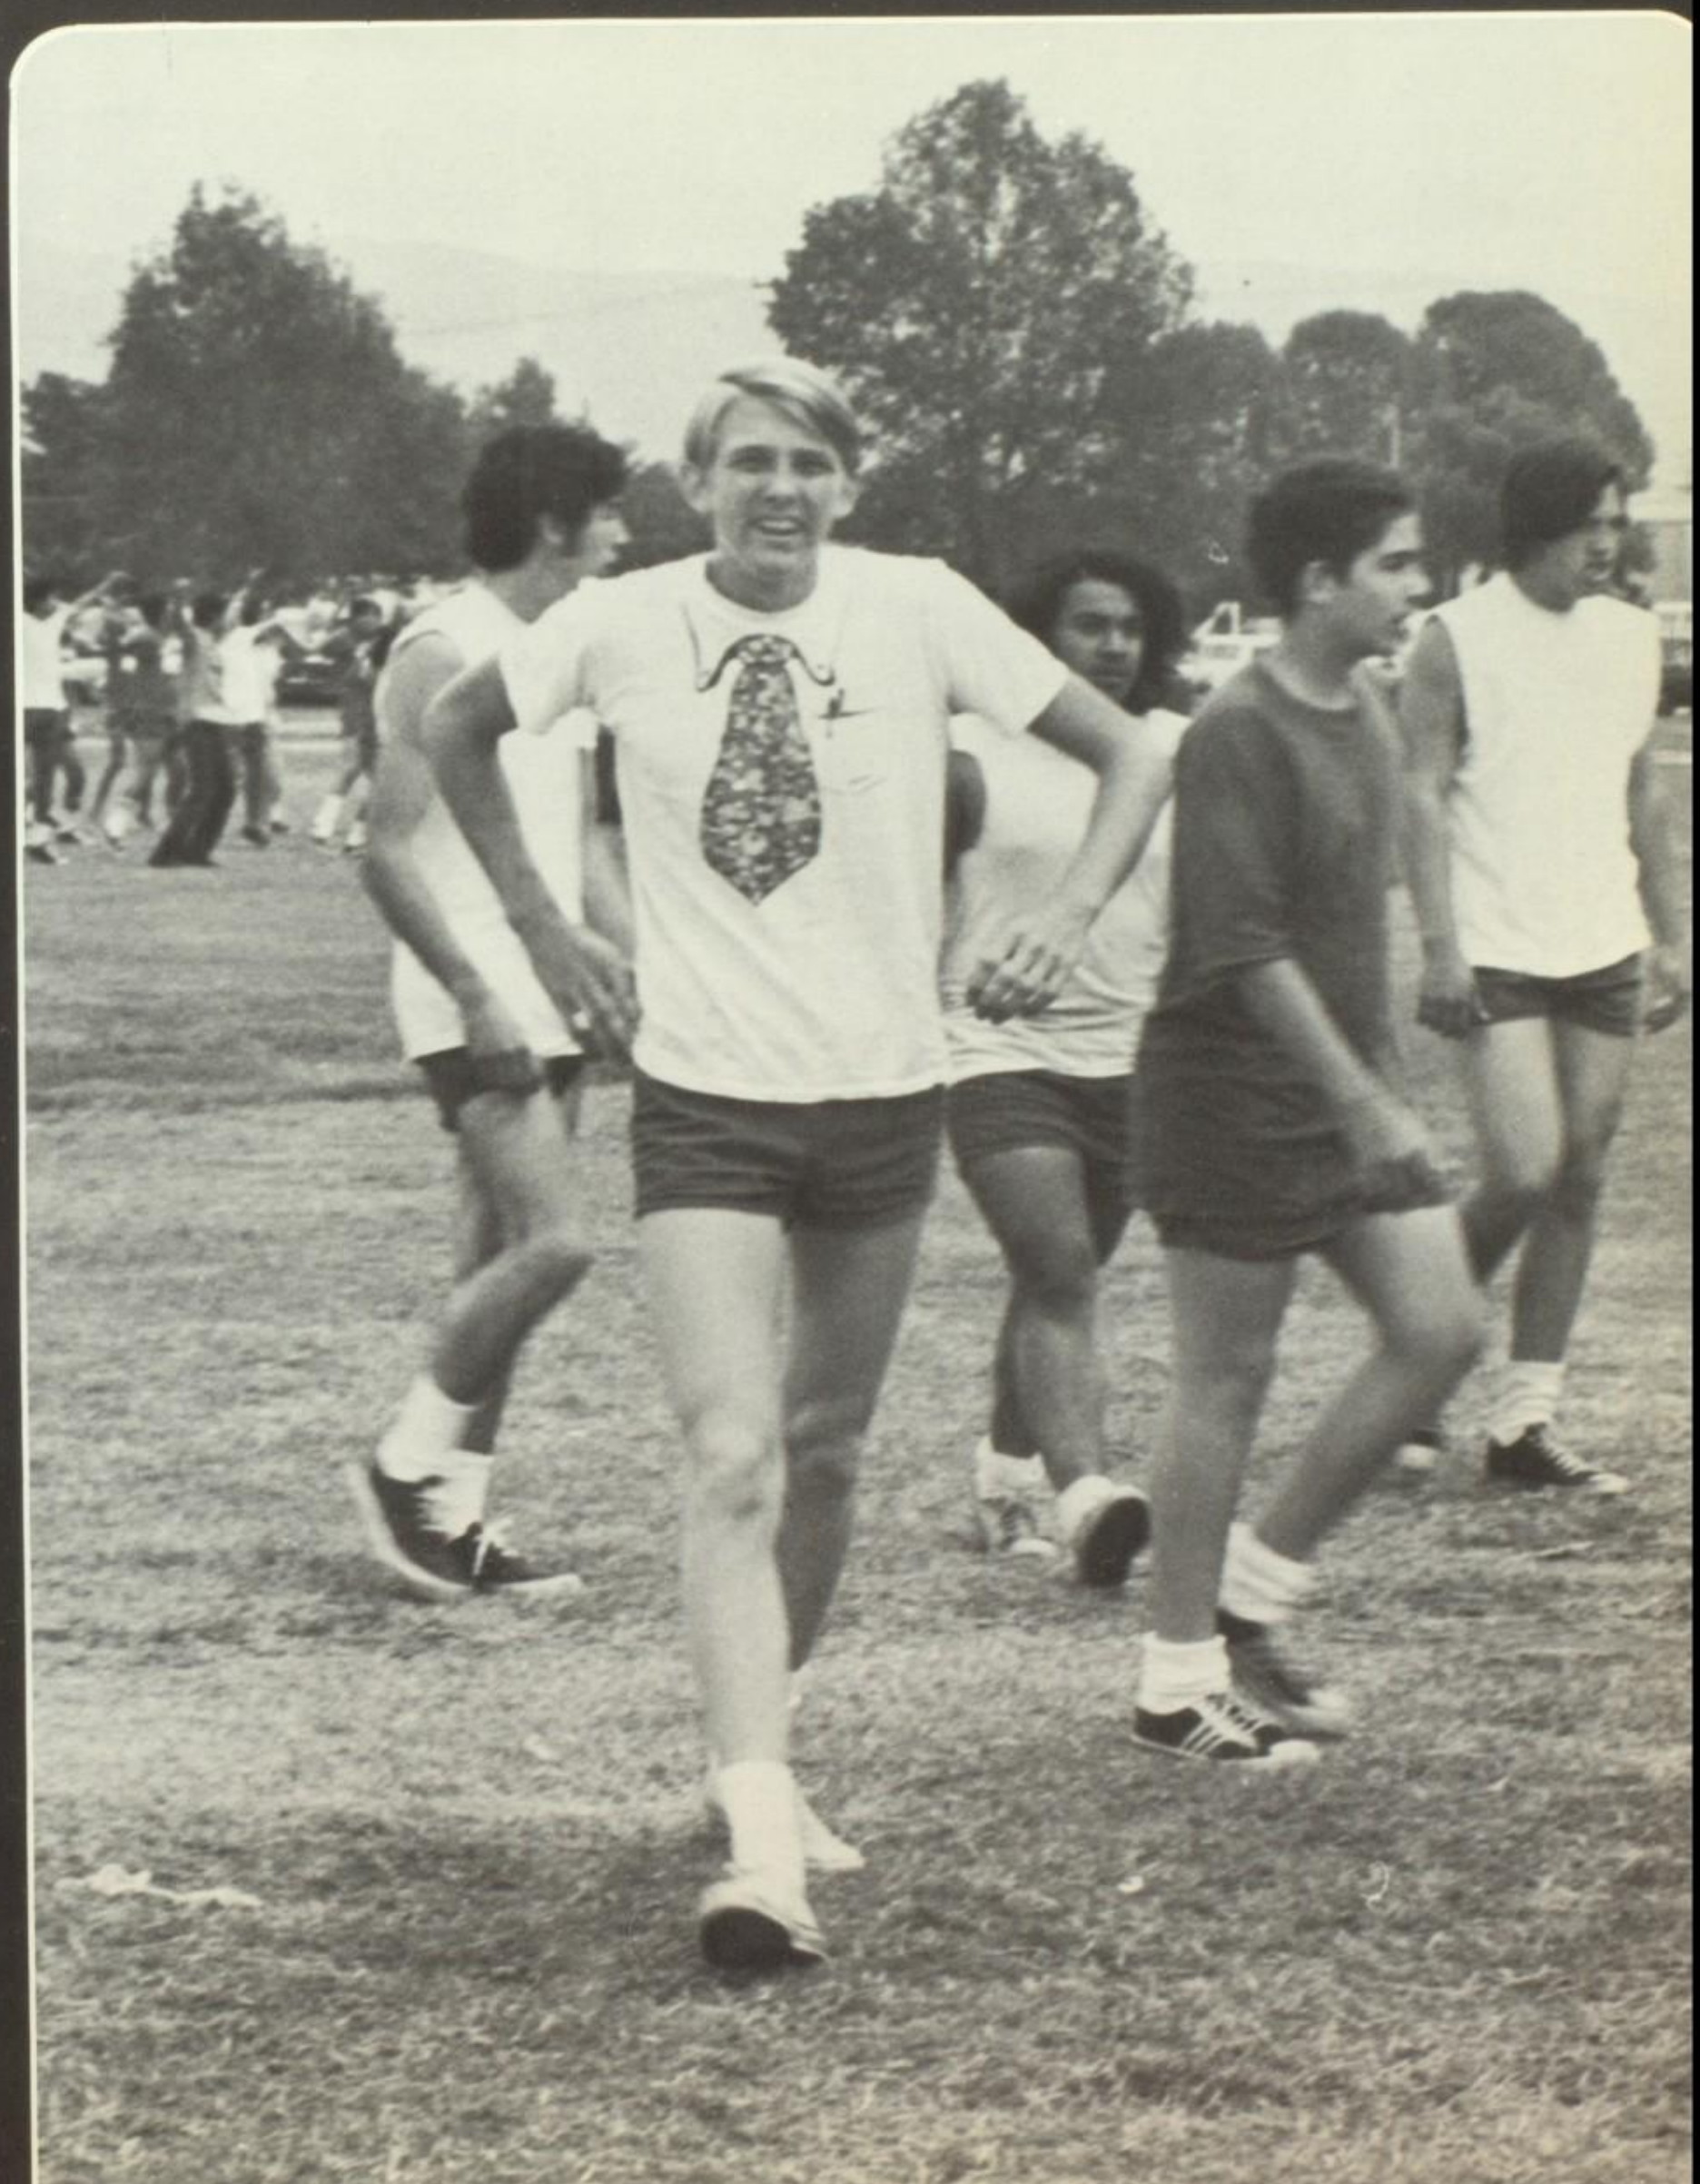


. . . Alone to have time to think, and gain understanding within his own mind, to better understand the thoughts of others. Sometimes a person can be alone when he . . .

. . . Stands-Out and is different from his peers. If the person is appreciated for his non-conformity he is no longer alone. But it is not only the non-conformist who can be set apart. For El Rancho . . .



Okay
Him !!



. . . Coach Martin McWhinney is a distinction in himself. His dedication extends not only to football, of which he has been both player and coach, but to the students who are so much a part of his life. Working with the football team and fellow coaches is important to Mr. McWhinney, and through this he has found . . .

Working with young people and footballl is what Coach McWhinney has devoted his life to. As El Rancho High School's starting center, Mr. McWhinney was part of the varsity football team that captured the 1960 CIF AAA Championship. In his graduating year, 1961, he lettered in football and track, was Varsity Club President, and completed his second year on Boys' Council. He entered Long Beach City College and again lettered in football and track. Mr. McWhinney then traveled to Whitworth College in Spokane, Washington to receive his Bachelor and Master of Arts Degrees. While at Whitworth he met his wife, Carol, and in his last year served as student assistant football coach and trainer. His first job after graduation was at Valencia High School teaching mathematics and assistant coaching football and track. In 1967 he came back to Pico Rivera becoming coach of the ninth grade track and football teams at North Park Junior High. Marty McWhinney returned to El Rancho the next season to become assistant football coach and a year later advanced to his present head-coaching position. His football players respect him for his football knowledge, hard work, and dedication. He puts out the extra effort and time needed for a coach, and honestly cares about every boys' future. He instills the idea in them that if total effort is given, success is the achievement. And it is for his total effort, ideals, example, and committment that we gratefully dedicate the 1973 Por El Ano to Coach Marty McWhinney.

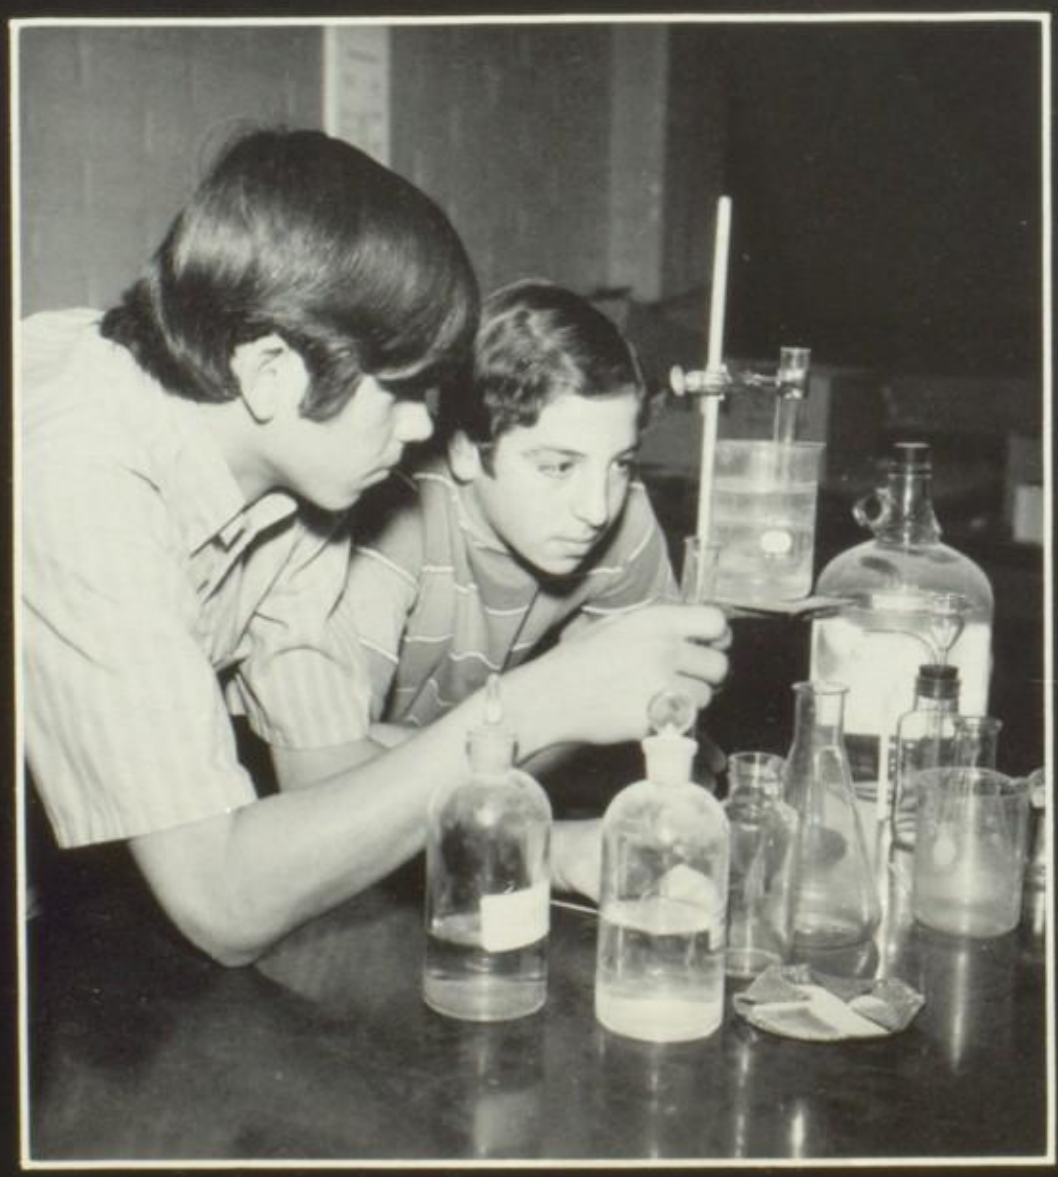
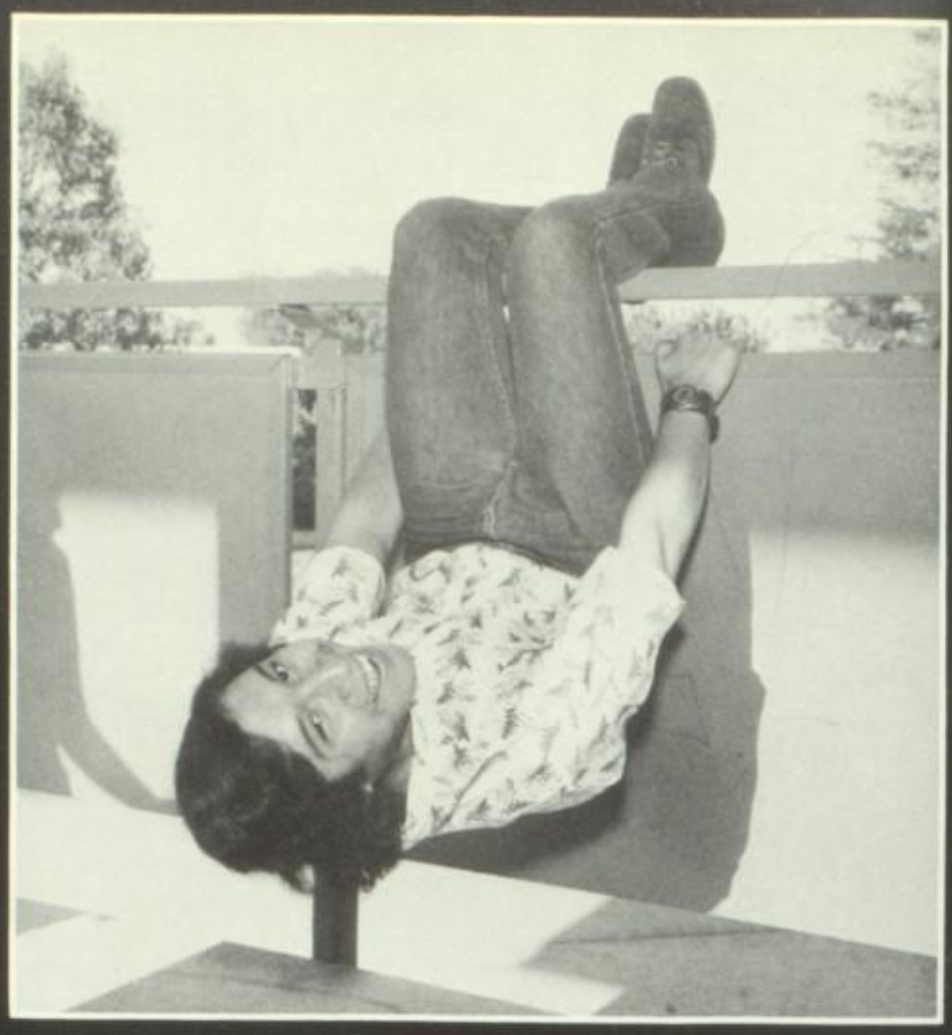
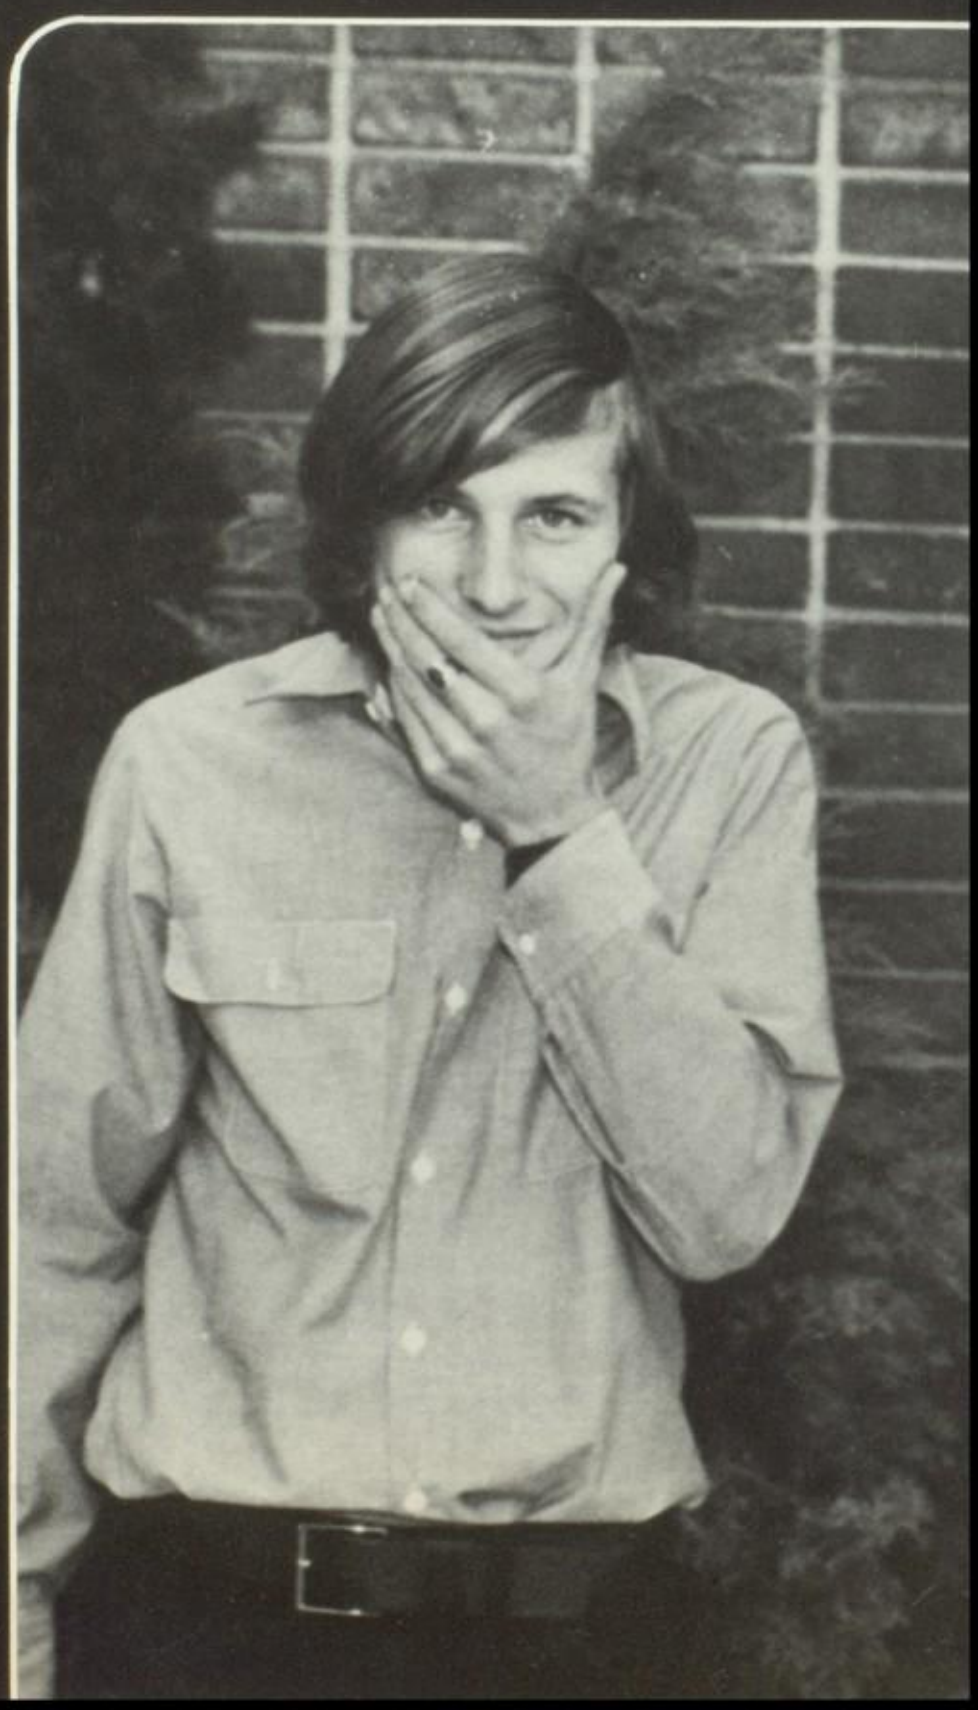
. . . **Companionship.** The trust of friends, the enjoyment of fellowship, the sharing of goals —these are companionship. True acceptance comes only from a friend, and enlightenment between people can come only through interaction, as does

. . . Educating the Mind. Education is not accomplished with books only, but is gained from experience and experimentation. Aside from the workings of the mind, there is a . . .

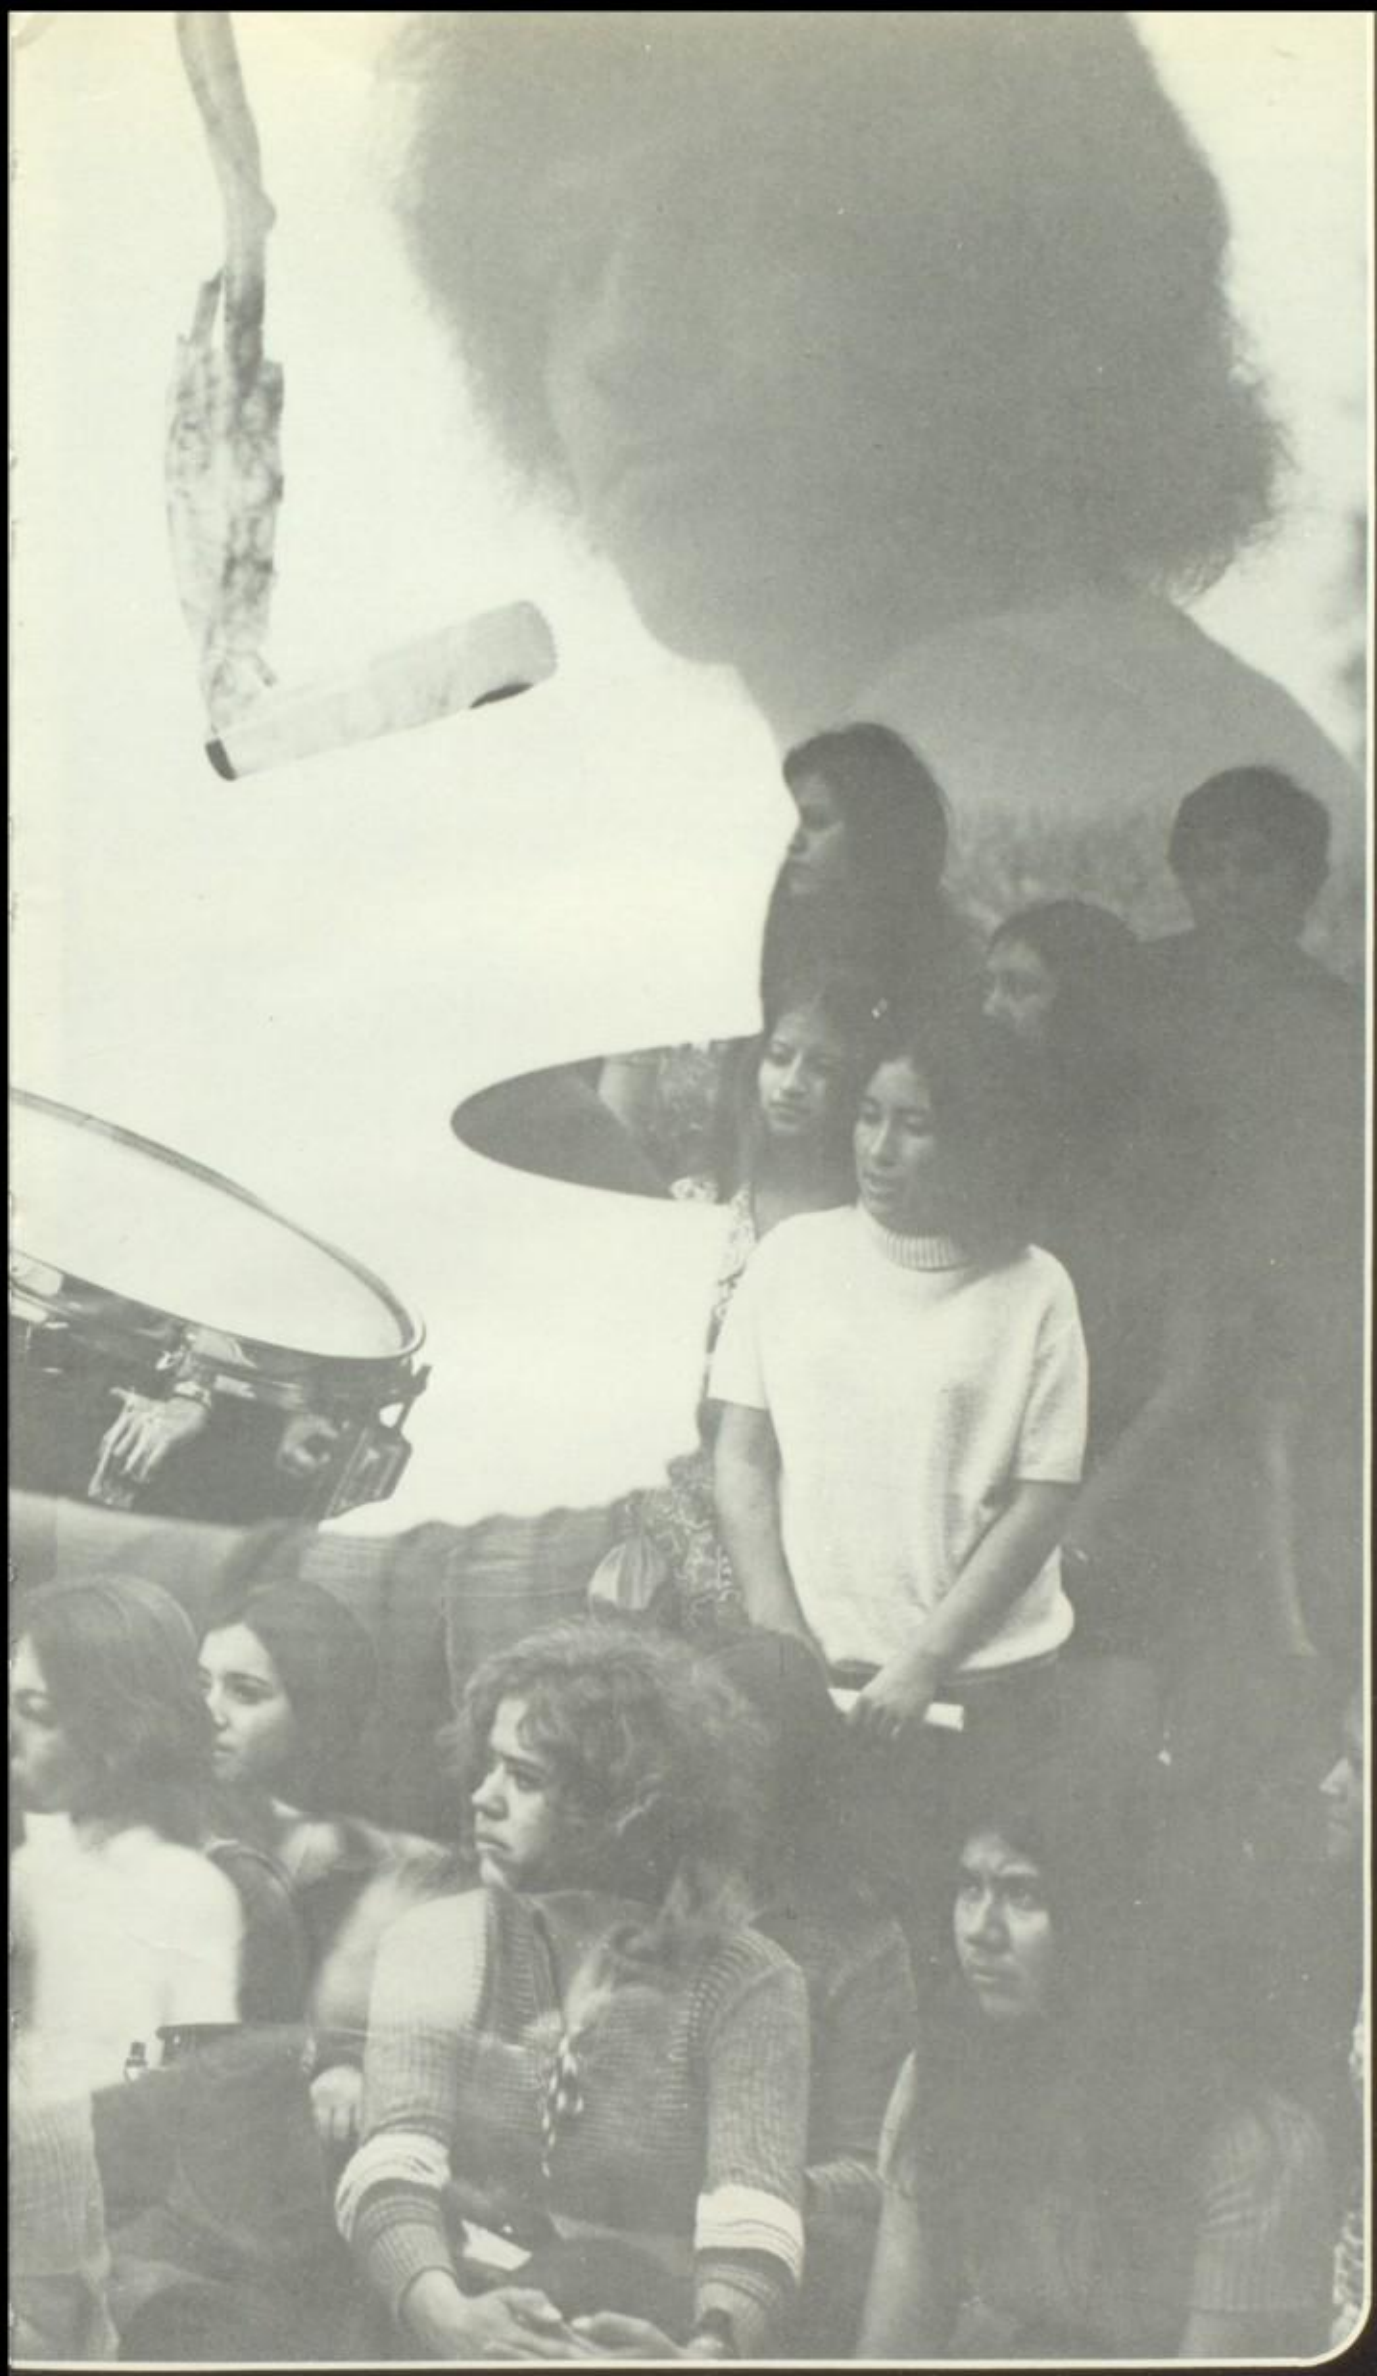


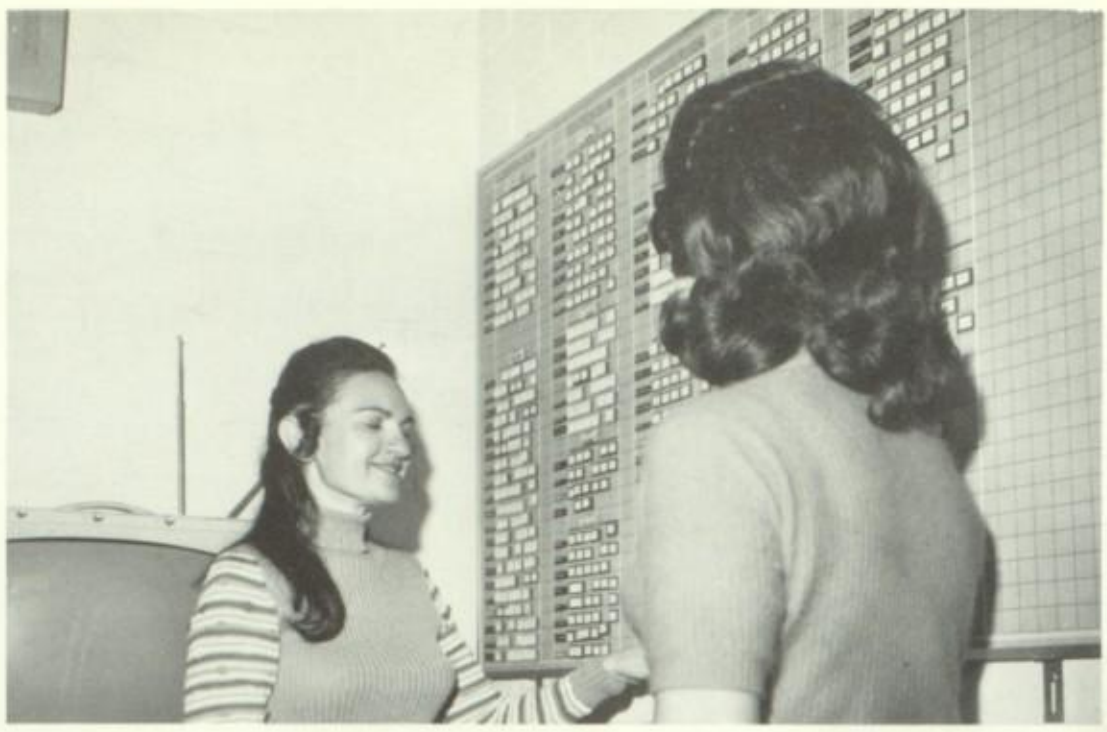


. . . **Lighter Side** to people. Pressures can escape their confinement and another side of human nature may come out. Uncomplicated fun will take over, leading a person to find people of . . .



. . . **Common Interests** with his own, those that feel the same as he does. There is a need to find these people that like the same things, just as there is the need for a person to be an individual, and sometimes be alone.





Don Administrators

The Principal of El Rancho High School has many responsibilities, far beyond the imagination of most of the people with whom he comes in contact. He is a man who has all the symptoms and needs of every other human being. He is a person who tries to live by a code for his God, his family, and his job; and sometimes he has difficulty determining which ones come in what order. His main responsibility as a principal of a school is that he has been entrusted the job of administering one of the finest schools in Southern California. It is his responsibility to see that all students have the opportunity to receive the best education possible depending on their needs and desires.

The Principal feels that everyone connected with the school has his rights as outlined in the Constitution of the United States; but also with these rights of freedom of speech, religion, and press he also should have the responsibilities that go along with maintaining them. Through his interests and working with the people involved, the Principal tries to see that all of these needs are met as equitably as possible for all.

This is a hard job for one man to do so, Mr. Payne has three very qualified people who help him. They are Mr. Cunningham, vice principal in charge of guidance; Miss Fishke, vice principal in charge of curriculum; and Mr. Sherman, coordinator of activities.

MISS SHIRLEY FISHKE

MR. JOHN SHERMAN

Mr. John Sherman and Debbie Gallego exchange views on possible activities. Miss Shirley Fishke points out the classes which are available during second period, to a Ranch student. Mr. William Payne, along with Miss Shirley Fishke and Mr. Tom Cunningham, decide necessary steps to better student-faculty relationships. Mr. Tom Cunningham cheerfully discusses graduation requirements with Carol Ramirez.

MR. WILLIAM PAYNE

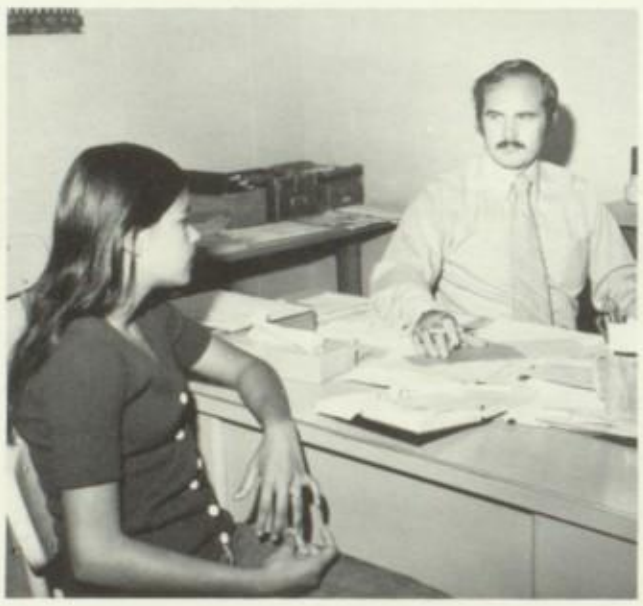
Counselors, Deans and Athletic Director

El Rancho's counseling staff dropped to six this year, but they were able to maintain the same level of efficiency. With two counselors per grade, students are able to receive the individualized attention that they need.

The counselors main concern is helping the student. Whether this is accomplished by talks on schedules, colleges, or other problems the staff strives to do what is best for the students.

Mrs. Norma Barger and Mr. Anthony Sandoval, serving as Dean of Girls and Dean of Boys, also did a great job counseling. Any problems facing a student are worth seeing these two about.

Mr. Duane Reidenbach, Director of Athletics, oversees twelve different sports, offered to the male students and makes sure the needs of each sport are met.



Miss Betty Walthall and Paul Martinez, Mrs. Dorothy Fischer and Linda Bonilla, Mr. Leon Getz and Andy Tellez, Mr. Duane Reidenbach and Robert Morey, Mrs. Norma Barger and Petra Macias, Mr. Anthony Sandoval, Mr. Eugene Jasper and Nancy Beight, Mr. Howard Hogan and Susan Hernandez, Mr. Charles Faught and Frank Monte discuss problems such as careers, colleges, scholarships, and classes.

Business Education

Perhaps one of the most useful classes on the ER campus are the business education. Many of the people who have taken such courses as Typing, Shorthand, Notehand, Bookkeeping, and Data Processing, have found jobs much easier to obtain upon graduation.

Under the competant direction of department chairman, Mrs. Edna Anderson, the Business department has quickly grown to one of the biggest departments in our school.

Having moved to the newly remodeled "H" building, which was previously the old library, education was able to continue efficiently in the new surrounding. The new building was remodeled to look like a real office building, to make the students feel as if they are producing work for a purpose.

The courses are designed to prepare students for well-paying jobs after graduation and for necessary college skills.

Science

The Sciences are divided into two different departments: physical and biological.

Physical science is the department of opportunity for all future science majors. It provides the keys to unlock the mysteries and light the way to success in Biochemistry, Biophysics, Chemistry, Dentistry, Engineering, Geology, Medicine, Nursing, Physics, and more. Bring together mathematical and biological skills as tools to enhance expertise and the student becomes eligible for a role in the science of the future and becomes ready for the metric America of tomorrow.

Life Science, is the interesting and rewarding study of living organisms. The purpose of the Life Science department is to inform the students about scientific ideas that they can use in their everyday life.

Mr. Keith Christopherson shows Robert Quintana and Greg Macias scale use. Yolanda Flores notes David Garcia's microscopic findings as Mr. Ron Mc Devitt and Steve Boganegra watch. John Swords and Ron Schenk work on the comptometers, while Mrs. Helen Becker looks for errors. Mrs. Edna Anderson checks Teresa Arvizo's typing accuracy while Lupe Hernandez waits.

Boys' Physical Education

The Boys' Physical Education Department had a very successful year. Many new programs were tried to give students a better selection of activities. An example of this was a new voluntery program. This was a unit on Scuba diving, availible to up to 60 boys per period for up to four weeks.

Emphasis was put on the California state physical fitness test events. This was done as a check on the effectiveness of our physical conditioning program. Also, added emphasis was placed on "sports survey", mini-units offered to sophomores early in the year to give them some exposure to new sports available to them on the high school level.

English

English: the word alone sounds very boring. Add the El Rancho English teachers and the courses offered here, and presto...English becomes a picture. A beautiful work of art, waiting to be seen for its worth; a priceless education.

The variety of subjects and teacher types, allows students to receive an overall education. Whether a student needs basic skills or is looking for a more specialized knowledge, with the large curriculum consisting of Basic English, Basic Communications I and II, Composition I and II, Developmental Reading I and II, Dramatic Literature, Journalism, Living Language, Literature Appreciation, Mass Media, Modern Literature, Novel, Poetry and Short Stories, Practical English, and Reading Lab the student is able to cover the areas in which he is interested.

Industrial Arts

Broading general education through industrial work is the goal of the Industrial Arts Department. Training in construction, carpentry, engineering, plumbing, is handled effectively. These courses are designed to teach students the fields which they are most capable and interested in entering.

In order to meet the needs of the students better, new buildings were added to the department. These additions included a new woodshop and welding shop; as well as a remodeled, advanced graphic arts classroom. The industrial arts department is very beneficial for students interested in continuing in the field of industry.

Mathematics

El Rancho strives for excellence in academic areas and the Math Department is no exception. These teachers are continually trying to improve their program so that the students that leave El Rancho will be prepared for the ever-growing math influenced world.

The Mathematics Department has a very well balanced program. They have courses for those interested in math as well as for those who need special help in the basic concepts.

Although the math department is well above other high schools in the area, we continually strive to find ways to become even more aware of the needs of the students in the math related fields.

This year's course offering include Math Review, Introduction to Algebra, Algebra I and II, Geometry, Algebra II-Trigonometry Honors, and Pre-Calculus.

Modern Language

The learning of a second language is a rewarding and exciting experience, relevant to our ever-changing world, basic to international understanding and peace.

The Modern Language Department is proud to offer the French, German and Spanish languages at all levels of instruction—beginning, intermediate, and advanced. English as a Second Language is an equally important part of our program. This program enables the foreign born to understand us and our culture.

Since all students cannot be expected to attain the same achievement levels at the same rate of speed the department has this year begun instruction on an individualized bases. The student will encounter many different levels of instruction within a given classroom, thus enabling him to pursue the learning of a second language with confidence and enthusiasm.

Mr. Jim Mc Crorey finds that an overhead projector is helpful in explaining problems to Ernie Hernandez. Mr. Alex Catania and Debbie Rodriquez discover mathematical properities. Social Studies

The 1972 election proved to be a big asset in the Social Studies curriculum this year. Seniors in United States Government got first-hand experience of how our government works through broadcast and articles on the election.

The sophomore Ranch students begin their history courses with Introduction to Social Studies. The student is taught about today's people and self-awareness.

U.S. History tried a new approach of teaching the class this year. This class was divided into two semesters. First semester all students took U. S. History Survey which consisted of a brief review of the founding of the colonies to the present. Second semester the student had a choice of taking a course of periods of history or interest areas.

Humanities and American Studies, the senior and and junior team classes, were educational and enjoyable for students who took them. The classes of approximately fifty students with three teachers per class, experienced a new technique of combining English and history together. Our technique in team is the seminar which is a division of a group of the class into discussion groups, so that a more meaningful and individualized education is obtained.

Special Programs

In Special Education non-academic and vocational skills are stressed for students that have difficulty with academic classes. Classes are provided for those students able to do well, but have not achieved their capacity, and for students experiencing difficulties in the school setting.

The R.O.T.C. classes train boys for future positions as officers in the Marine Corps.

A nursing course with actual hospital training is offered.

The school psychologist helps students with personal problems and interviews students for the Mentally Gifted Minors program.

Vocational help is available to the students that might need it, through the work experience office at El Rancho.

Through fund-raising activities the El Rancho Faculty Club is able to give scholarships to deserving students.

The Booster Club also serves El Rancho by raising money for use in worthwhile projects for the student body.

Classified Staff

Many people help El Rancho run more efficiently. They are the bookstore, bus drivers, cafeteria workers, custodians, and secretaries.

El Rancho's bus drivers provide transportation to and from school for all students living outside of the walking distance range.

The bookstore is in charge of checking books out to students as they need them, taking care of audio-visual equipment, and being around to help out.

The cafeteria workers prepare and serve lunches to El Rancho's students and faculty. All menus are designed to meet the nutritional needs of teenagagers and adults.

The custodians help out in any emergency and tend to necessary routine services. Their staff helps to keep El Rancho "beautiful."

El Rancho secretaries not only file and type, but serve El Rancho in numerous ways. Some secretaries deal directly with students, while others only serve our administrators.

Senior Class Officers

Through much hardship, grief, and disappointment, the Class of '73 has held on to it's basic structure—unity! It was done through the great advisorship of Mrs. Susan Tinkley and Mrs. Barbara Jones.

This year's Senior Class is one that will be long remembered, due to the involvement and creativeness of each of its' members. It has been my utmost pleasure to serve as president, but the representation that has come from me is trivial compared to that which has come from you, the Seniors, as individuals.

Our Senior year will stand out in our minds as a year of achievement. For us, it is an eternal goal reached.

We, as Seniors, now know that from work comes accomplishments, from friendship comes fun, and from El Rancho comes experience, the experience that is needed for us to adapt to the fore-boding world.

An extremely happy occasion for Debbie Gallego as she is helped on with her robe by former queen, Elisa Aguirre. The Homecoming court and escorts: Bill Loveall and Junior Princess Nancy Romero, Senior Princess Helen Valenzuela and Craig Gramer, last year's Queen Elisa Aguirre and last year's Vice-President John Chavez, Queen Debbie Gallego and John Dea, Senior Princess Kris Birner and John Herold, Sophomore Princess Lucy Aguirre and Joe Sanchez.

Homecoming — 1973

It was "A Time to Remember" for Debbie Gallego as she was crowned Homecoming Queen for 1972-73.

Miss Gallego was honored at the traditional assembly, along with the alumni luncheon, the parade, the annual football game, and the after game dance.

The remainder of the homecoming court consisted of Kris Birner and Helen Valenzuela, Senior princesses; Nancy Romero, Junior princess; and Lucy Aguirre, Sophomore princess.

The Senior class came out on top in the annual float building event, with their version of the theme, "A Time to Remember," with the Juniors and Sophomores close behind.

The Homecoming court, after its presentation at half-time, yells it's support at the football game. Queen Debbie shyly greets the half-time crowd. The Sophomores attained third place with their float entry. With their interpretation of the theme, the Junior Class was awarded second place. The Seniors captured sweepstakes with their float which represented school days. Bubbling with happiness, Sophomore Princess Lucy Aguirre relates the hectic morning to her friends. While talking with friends, Junior Princess Nancy Romero has her crown secured.

Escorted by Sergeant John Brode, Queen Debbie Gallego is presented to the crowd at the football game. The first dance of the evening belonged to Queen Debbie and her date, Roy Rosales. Speaking with a friend is Senior Princess Helen Valenzuela.

Radiating with joy after being crowned Senior Princess is Kris Birner.

Don Marching Band

What would El Rancho High School be without the Don Marching Band? At the football games the rhythmic beat of the drums always set the pace of excitement. They excel in performing the stirring and vibrant music that is so essential to the half-time shows and the many parades they performed in.

Under the direction of a superior and excellent drum major, Gilbert Garcia, the 1972-1973 El Rancho Don Marching Band got off to a fantastic start.

Through the years, the marching band has captured many ribbons and sweepstakes from their never failing performances. This year their ability was shown once again.

Majorettes, Banners, Flags

Leading the way for the Don band and drill team, and proudly displaying the name "El Rancho", this is the responsibility of the pert and pretty ER banner carriers, who smile their way through performances.

Following the banner carriers, and holding the large blue and white flags, the flag princesses always add that extra something to all their performances.

With head majorette, Jane Rankin leading the way, this year's majorette squad has the sparkle and grace that helps them to excel. They have become very precise and have gotten many awards for mastering the art of twirling.

Surrounded by her Donnettes, Miss Hagler takes a moment to relax. Donnettes anxiously await their cue to start at the Welcome Assembly.

Donnette Drill Team

Under the direction of Miss Barbara Hagler, this year's El Rancho Donnette Drill Team has achieved the superiority it has always strived for. They were assisted by two outstanding leaders, Gloria Garcia, head and Claudine Belmontez, co-head.

This year's half-time shows were high-lighted by a Dedication ceremony, in which a 75 foot flag was unfurled.

The Drill Team attended numerous parades including Rosemead, Santa Monica, and Redland's Christmas Parade.

The highlight of the Donnettes' season is the Arroyo field competition. Schools from all over Southern California come to compete.

El Rancho once again has a Drill Team of which they can be proud.

El Rancho Pepsters

Twenty bubbly, vivacious, and talented young girls teamed up to form the 1972-73 El Rancho Pepster Squad. Consisting of six yell leaders, six song-leaders, six flagsters, and two mascots, they always gave their all, whether at a sports event or a pep rally.

At pep rallies, some of the zaniest skits ever, were performed, with new yells, chants and dances being introduced.

At games, the pepsters cheered the teams on, and really let them know they were behind them all the way.

With their advisor, Miss Julie Ellis, this year's squad has helped to raise the enthusiasm and spirit of El Rancho that will long be remembered.

Surrounded by pepster props, yell leader Esther Alarcon prepares for the game. The long row of Songleaders wait and listen at the Welcome assembly. Leading the way to pep and spirit are mascots, Jeanne Gronewold and Sylvia Dominguez. Giving last minute instructions is advisor Miss Julie Ellis. The Pepster Squad in a zany pose. Songleaders (L to R): Susan Ellis, Kathy Nakashima, Tina Doorlag, Shauna Unwin, Michele Morey, Priscilla Sanchez; Yell leaders (L to R): Marie Volkov, CeCe Ernst, Kris Birner, Esther Alarcon, Debbie Camarillo, Manya Adnoff; Mascots: Sylvia Dominguez, Jeanne Gronewold; Flagsters (L to R): Darlene Maslen, Debbie Balliger, Mary Nelsen, Eileen McKercher, Patty McManama, Kathy Gonzales. The Flagsters perform at the Pomona Fair.

Yell Leaders and Mascots

"B - L - U - E (clap, clap. . . clap) P - R - I - D - E, We got blue pride, hey yeah, we got blue pride." That was this year's yell leading squad's motto. With Marie Volkov leading, Manya, Esther, Kris, CeCe, and Debbie spread pep, spirit, and pride throughout the student body to keep the Don teams going all the way.

Another pride contributing group was Jeanne and Sylvia, our mascots. Their job of preparing and presenting skits at pep rallies is not easy. Have you ever tried to make people laugh at 7:30 in the morning? The job was tough, but. . .the dynamic duo did it!

The yell leading squad executes a pyramid forming the traditional "V" for victory. A very frustrated Jeanne, after the football players pass her by. Debbie Camarillo leading the yells at the football game. Head yell, Marie Volkov bubbles with enthusiasm as she tries to get the crowd to yell.

Songleaders and Flagsters

Take the six most skilled and co-ordinated girls from the El Rancho campus and you have the Flagsters. The Friday night football games would not be nearly as exciting without these lovely girls and their smart blue and white flags. On Fridays they are easy to spot in their other perky blue and white outfits and by the important thing they never forget—their friendly smiles!

When someone thinks of the El Rancho Songleaders, the words that immediately pop into one's mind are dainty, bouncy, attractive and friendly. These girls add much to the El Rancho campus and whatever they are doing and where ever they are performing their intricate dances for us to see.

Poised and ready, the delicate but perky El Rancho Songleaders for this year, BOTTOM ROW (L-R): Tina Doorlag, Susan Ellis, Michelle Morey. ROW 2: Kathy Nakashima (Co-Head), Priscilla Sanchez, Shauna Unwin (Head). Pretty Priscilla Sanchez spends a quiet minute checking on her uniform. Performing energetically to the rythmn of music, the Flagsters perform at the Welcome Assembly. E.R.'s six skillful Flagsters strike an impressive pose, BOTTOM ROW (L-R): Patty McManama (Co-Head), Darlene Maslen (Head), Kathy Gonzales, ROW 2: Mary Nelsen, Deborah Balliger, Eileen McKercher. The peppy Songleaders share a happy moment after a kick-off during a football game. It's a tense moment for the Flagsters as they watch the final seconds tick off the clock.

Stage and Concert Bands

Besides the Don Marching Band, El Rancho's Instrumental Music Department includes the Concert and Stage Bands.

El Ranchos' Don Concert Band completed one of its' most successful seasons this past year. Starting out their concert season, the band performed their traditional Christmas concert along with several performances for the community, as well as the student body. Early in March, the Concert Band participated in a regional festival held at Rio Hondo. Later in the spring, the band traveled to Monterey, California where they continued their concert season.

Here at El Rancho, the Stage Band is well known to all. During the year the Stage Band participated in the annual Homecoming assembly, and also helped out at pep rallies and other functions.

Band Director, Mr. William Eads, has introduced many new and different music to this years' bands. He has helped to provide both the Stage and Concert Bands with a truly successful year.

El Rancho Choirs

Perhaps three of the most prestigious and respected groups on the El Rancho campus are the choirs, which are the Choraleers, Concert Choir and Girls' Glee.

The Choraleers, which consist of twenty seven highly gifted singers, are directed by Mr. Dennis Baver, who is also head of all the singing groups. The Choraleers never fail to put on a beautiful performance, whether they are singing for an El Rancho assembly or for a convention at the Disneyland Hotel.

Each year at Chirstmas time the Don Concert Choir travels to Disneyland to perform the extremely beautiful and melodious Candlelight Procession. The Concert Choir must be invited to the Candlelight Procession each year, so as a result El Rancho houses one of the top choirs in Southern California.

Girls' Glee is made up of many talented El Rancho girls. They provide good music for various assemblies throughout the year.

The Choraleers make an assembly entrance singing "Ding Dong Merrily on High". GIRLS' GLEE BOTTOM ROW (L-R): Mrs. Farley, Gail Leafstone, Sandy Vasquez, Linda Avilla, Rose Placencia, Aida Quiroz. Cheering can be fun, as shown by Debbie Garrabrant and Annette Sanchez. The enthusiastic cast of FEIFFERS' PEOPLE. Juan Pantoja ponders the complex picture. Diane Sanchez strikes an impressive pose with her rose. Behind the outward hard crime fighting hero, lies the serene, innocent Steve Rose. Thesbians from Magic Theatre make a train and its' bridges come to life. Taking the form of a semi-pyramid are members of the Mime Troupe. Togetherness is the motto of the Mime cast. Doug Chadwick and Kari Mummah think maybe it's love at first sight. A mean, ferocious spider from a scene of Magic Theatre.

Dramatic Productions

The Drama Department, 1972-73, produced a number of award winning productions, as it has in years past.

FEIFFER'S PEOPLE looked at the world through the eyes of the syndicated columnist/cartoonist/playwrite Jules Feiffer. The show played out its run and was extended to an additional performance because of the demand and proved to be as rewarding as the cast, crews, and Mr. Fridell hoped. The show included the versatile talents of Doug Chadwick, Debbie Garrabrant, Kari Mummah, John Pantoja, Annette Sanchez, Steve Rose, Diane Sanchez, and Jacob Volkov. Student director was Melodie Garcia. Proceeds from this show and the others this year helped pay for the new Cyclorama on El Rancho's Little Theatre.

MAGIC THEATRE II, El Rancho's second show was adapted from the writings of Saundra Mathews Deacon and capitivated its young audiences each performance. It was presented by some of El Rancho's finest thespians including Melodie Garcia, Barbara Romero, Steve Rose, Diane Sanchez, Ed Lujan, Marie Leonard, Craig Gramer, John Pantoja, and Laura Patterson. Student director was Pat Holguin. It included, along with all of El Rancho's main stage productions this year, original musical compositions composed by Mr. Bill Eads.

The third show this year was an original show written by Mr. Fridell and Mr. Eads utilizing some of the talents of the students of mime and movement. The show was put entirely to original sound and comedy. Actors in the show included Steve Rose, Ed Lujan, John Pantoja, Laura Patterson, Marie Leonard, Melodie Garcia, Morgen Ruddick, Larry Aragon, Joe Hernandez, Jacob Volkov, Kora Delgado, Barbara Romero, Debbie Garrabrant, and Robin Ury.

Girls' League Dance

This year's annual girl ask boy dance was enjoyed by all who attended. The night reflected on the theme, "An Evening For Us." The dance was held in the Don Ballroom from nine to twelve. Decorations of pink and red roses, and streamers added up for a romantic atmosphere. The music was provided by Rick DiBlasi and his group. Second Vice-President, Betty Lopez, and advisor, Miss Janet Banks did a fine job in presenting the dance.

A picture for memories of this year's Girls' League. A happy couple enjoy the festive mood of the dance. A pair, swinging and swaying to the rhythm of the music. Taking a breather for some refreshments. The Don Ball room had the atmosphere of the theme, "An Evening For Us". A couple linger, and views the beautiful decor. Getting together with friends, for refreshments. Adding to the feeling of the dancing was Rick DiBlasi and his group.

Hooray for Hollywood

"Hooray for Hollywood!" was the modern version of the first Coed Capers show twenty years ago, entitled "Movietime, U.S.A." In celebrating the twentieth anniversary of Coed Capers, the contrast of the growth of the show was shown when a first show student director, now with a teenaged daughter of her own, told about the activities of the "then" program. Nancy Beight, student director of the "now" show told the honored alums about our afternoon show for Special Education students and ninth grade girls and about the several large scholarships that are given from the profits of the two nightshows.

All groups worked hard to make a good show, and not even the most experienced show advisers could predict in advance who might be chosen show winners. After a lengthy period of tabulation, the results were made known, with "Those Downright Daffy Directors" leading the way to first place.

After a rousing rendition of "Seventy-six times six..." and the presentation of sixteen roses to Miss Banks for her sixteen years as Girls' League Advisor, all the alumni participants and student directors moved to the Cafeteria, for refreshments and time to talk over "the good old days".

Once again the technical and stage crews showed their marks of excellence behind the scenes for this year's Coed Capers program.

The technical crew was responsible for the great lighting used in each skit. The lighting consisted of: strobe, red and blue lights, and the color wheel. The technical crew played an important part in the show. Without their help the program would not have been a great success.

Another important facet were the girls who worked behind the scenes, the stage crew, These girls were responsible for moving and sitting up back drops, and hand props. The help was a must to keep the program quick moving and enjoying.

Once again the Faculty Frolics performance was the highlight of the Friday night show. The Faculty Frolics consisted of advisors and faculty women who do their own skit dressed in gunney sacks, portraying Coed Caper groups.

Girls' League Officers

Girls' League had another very successful year with Judy Stocks as president. Her very capable cabinet included Nancy Beight, First vice president; Betty Lopez, Second vice president; Janeen Jenness, Secretary; Lori Marquez, Historian; Jane Tenorio, Publicity; Cecile Valle, Sunshine Chairman.

The annual Girls' League Dance, the first big event of the year was held under the theme "A Night to Remember". Coed Capers celebrated its twentieth year with a salute to the movies, "Hooray for Hollywood!". The Doll Dressing contest provided needy children with Christmas toys, while Cotton Day gave girls a chance to show off their domestic talents.

Every month the Board and the Representitives are responsible for choosing the Belle of the Month, who may later become Donna of the Year.

Each year all Girls' League officers and representatives, under the very competent leadership of Miss Banks, work to make all Girls' League activities a great success. This year was no exception.

Winter Belle

This year El Rancho was introduced to a new event, Winter Belle, which replaced the traditional Basketball Belle.

Ten girls were nominated by the winter sports: basketball, soccer, and wrestling and also by the Senate. El Rancho's student body voted for one Belle and four Princesses.

At a special Friday afternoon assembly, all five girls were introduced and the 1973 Winter Belle, Marie Volkov, was crowned by Kathy Espinoza, last year's Basketball Belle.

Mary Pixler

A happy moment for Marie Volkov as she was announced Winter Belle. Princess Mary Pixler and Clyde Hodson watch the basketball game. Entering the assembly is Marcia Caldwell and escort Bill Fierro. Powder Puff

Sounds of ripping flags and helmets colliding climaxed the annual powder puff game, with the Seniors triumphant 14-8.

The Senior girls scored first when quarterback Sandy Priest carried it in from three yards out.

The Junior girls came back, however, when Mary Allen returned the kickoff 63 yards for a touchdown. Norma Ramos ran for the two-point conversion, giving the Juniors a 8-6 lead.

The next scoring came late in the fourth quarter. The Seniors took over on downs, on the Juniors' 41 yardline. Then they drove all the way for a touchdown with Connie Cruz carrying for the last nine yards. The conversion was good, giving the Seniors a 14-8 lead.

Half-time showed the presentation of Powder Puff King Art Munoz. Along with him was his court of Senior Prince Mike Hernandez and Junior Prince Graco Farrell.

Junior and Senior pepsters spent the night trying to surpass each other, besides cheering their respective teams on.

Donna of the Year

A coveted title by all Senior girls is "Donna of the Year". Donna candidates are composed of the ten girls that have been selected as "Belle of the Month" in either their Sophomore, Junior or Senior year. "Belle of the Month" selections are made on the basis of friendliness, school spirit, and good grooming. Suggestions for Belle are put in a box in the girls' locker room for a week before the Girls' League board meeting. The officers and representatives choose the Belle at the meeting. During Girls' League elections, female students cast their votes for Donna. The "Donna of the year" is then announced at the Girl's League installation assembly.

Bank of America

Each year four very talented students of El Rancho receive the Bank of America Awards. They are chosen by various teachers and counselors on the basis of their achievements in the fields of Fine Arts, Vocational Arts, Science-Math, and Liberal Arts.

In addition to their academic abilities these students must be competent leaders of the campus. They must set good examples in citizenship, service, character, and co-operation. Upon winning the Bank of America trophys, the recipients compete with trophy winners from other schools for cash prizes.

The Band of America trophys are truly a honor to receive as they are undoubtedly very helpful in the course of one's college career.

Also, besides the trophy winners, select students are awarded Certificates of Merit in their chosen fields.

Marine R.O.T.C.

The Marine R.O.T.C. program is led by Captain William Steinken and Gunnery Sargent William Johnston, who are both ex-Marines.

A young cadet in the R.O.T.C. program learns what it's like to be a Marine. These boys are taught all of the basics of military life, such as; marching from simple facing movements to the more difficult oblique movements. He also learns the manual of arms with a M-1 rifle.

Discipline in R.O.T.C. is very strict. Physical fitness and self-discipline are the two most important factors that the program tries to stress.

The rifle team competes with other such R.O.T.C. units across the country, and the drill team performs in many parades during the year, doing difficult stunts with their rifles.

Being part of the marksmanship and small bore rifle team are only some of the many opportunities offered by the R.O.T.C. Youth in Government

May 18th marked the Youth in Government Day in Pico Rivera for twenty-two of El Rancho's students.

The senior class voted on five candidates from a list of ninetysix applicants. These five chose a mayor and vice mayor, the rest becoming councilwomen, and in turn selected the city officials from the rest of the applicants.

On their day, the officials took over the various positions in the City Hall, made recommendations which were later reviewed by the Pico Rivera City Council, and met their counterparts. The day was highlighted with a banquet hosted by the city of Pico Rivera.

A new special feature this year was a hard earned trip to Sacramento with the Executive Commission to see the state capital.

House and Senate

The Legislative Branch of El Rancho's Student Government consists of the House of Representatives and the Senate. At the beginning of the school term, each homeroom elects a representative for the House of Representatives. The Speaker of the House represents the House in the Executive Commission, and presides over all meetings under the advisement of Mr. Duane Reidenbach. The House meets to pass bills and other business matters.

On the other hand, the Senate is composed of class vice-presidents and a representative from each chartered club or organizations on campus. The Senate also passes bills and authorizes charters for any new club.

Vibeke From Denmark

To be an American Field Service student from Denmark at El Rancho was marvelous. Immediately I felt at home here and you treated me as one of your own. Never in my life have I made so many friends as I have here.

I must thank everyone who has helped me to make this as tremendous a year as it has been. El Rancho was a great experience I will never forget. I feel only one way to express my feelings for my American school: "I'm from El Rancho, couldn't be prouder."

Anna From Finland

I came to California as a Youth for Understanding student from Finland to live with the Drapers.

Everything was new for me: family, friends, language and school. When I came to school, I was at first very excited because El Rancho is very much different from my school. I didn't know how the students were going to accept me, but everything turned out really nice. The students came to talk to me and I didn't feel an outsider.

I spent here one year. During that time I learned many things of California and I wish more young people had this same opportunity.

Thanks to everybody!

Anna Kronlof, as a member of the marching band, found many friends. In drill team, Vibeke Jensen participated in the half-time shows. Vibeke and her American sister, Mary Pixler, discovered how alike their countries are. Jeanne Gronewold laughs with Anna in the A.S.B. Room. Anna and Vibeke found that visiting a new country was but one of the things they had in common.

Anarchy and the Annual

Annual Staff in action is a sight to behold. From the scratch paper layouts to the final carbon copies the staff is a swirling mass of confusion and new ideas.

There are deadlines to meet, pictures to take for unformed clubs and awards, and copy is a never-ending job of trying to stretch 25 words into 150. When the final moment of completion comes and we start to rest our weary bones ANOTHER deadline is announced and the same pandemonium is produced once again.

Seeing all of our hard work and endless hours transformed into the annual, our satisfaction pushes out all the unpleasant experiences.

ANNUAL STAFF (L-R): Rosemarie Compean, Irene Perez, Toni Merlo, Alice Andujo, Sheila Marker, Sylvia Velez, Linda Gabaldon, Tody Wanlass. Sylvia Velez, Jane Rankin, and Linda Gabaldon work eagerly to meet a deadline. Bertha Casas hands Mrs. Guila Hales the pages she has just completed.

Involved and Striving

Any athlete who has lettered in one of the many varsity sports offered here at El Rancho is eligible for membership in the Varsity Club. They are responsible for selling refreshments at home sporting events and for the annual Awards Night Banquet honoring Don athletes.

The two-year old Amigos Anonymous Club this year as a service project sold sandwiches at the Adult Education Class breaks. They also promote friendship between Mexican-Americans.

Without the Audio-Visual Club, El Rancho's many productions would not be quite the same. They handle the lighting and sound equipment. This very active organization this year raffled off a cassette tape recorder as a fund raising event.

Forensics is a very small, but powerful group that pulls much attention to the Ranch. They participate in many speaking and debating tournaments and also host some at El Rancho.

Joy and the El Rodeo

Friday brings joy to the hearts of El Rancho students because that is the day "that excellent campus publication," El Rodeo, makes its appearance.

Led by their two "excellent" Editors-in-Chief, John Dea (Fall) and Al Steinhoff (Spring) El Rodeo kept Ranch students on top of campus happenings, as well as events occuring in Southern California with their columns on local concerts, sports events, the theatre, and miscellaneous attractions.

The Junior Officers

This year has been a very memorable and rewarding year for all of us. Throughout the past year we experienced many things which I hope will grow toward building and strengthening our lives ahead. I have had the honor of representing a fine outstanding group of young people, the Juniors.

They have shown great strength, both in victory and in defeat, in trying to obtain their goal: Class of the Year. Both the dignity and sportsmanship of this class have been upheld, no matter what the attitude or feelings have been toward the other classes. We look ahead and not to our past for victories.

As we enter into our Senior Year we take on the responsibilities of young men and women, whose roles are very important in developing and upholding the El Rancho traditions. I hope as we enter our last year we can continue to give the school the respect and admiration it deserves for the many things it has given us and will continue to give us.

I would like to thank our advisors and the teachers who have helped us in helping ourselves, as a class. Also, I would like to give my thanks to my officers for all the support they have given me throughout the year, and my special thanks to the CLASS OF '74.

Sophomore Officers

Being president this year for the Class of '75 has been an unforgettable experience for both myself and my peers.

It was a great change from junior high because we achieved bigger and better things every day. El Rancho is a school that one can never forget, it's a school that is known for always being Number One in everything it does.

This year was different from any other; the class presidents became part of the Executive Commission. It was a great thrill to be the first Sophomore President on Exec and also a great experience.

The Sophs this year had no problem in getting together. We came from four different schools, but when we reached El Rancho we became united.

I feel that the Class of '75 will be a class that will show great example in everything it does.

Varsity Football Coaches

This year El Rancho returned to the Pacific League and was greeted with tough competition.

Head Coach Marty Mc Whinney after three consecutive seasons had his record hampered with close contests which the Don lost only by small margins.

Assistant Coach Frank Mazzotta's responsibilities were the defensive linemen and offensive tackles.

Coach Steve Hartman was in full control of the defensive backs and the receivers.

Coach Peterson was in charge of the offensive backfield and coached runners like Mark Bailey and Larry Bazan.

The coach in charge of linebackers and offensive guards was Art Lopez. John Brennan served as coach for middle guards and centers to round out the staff.

League Action

Tough contests greeted the Dons as they reentered the Pacific League this season.

During the first game of the season the Dons were handicapped by injuries. Larry Miller a tri-captain sustained an injury which put him out for the rest of the season, and David Duarte entered the game with a sprained back. When the gun went off it showed the Dons defeated by Marina 12-6.

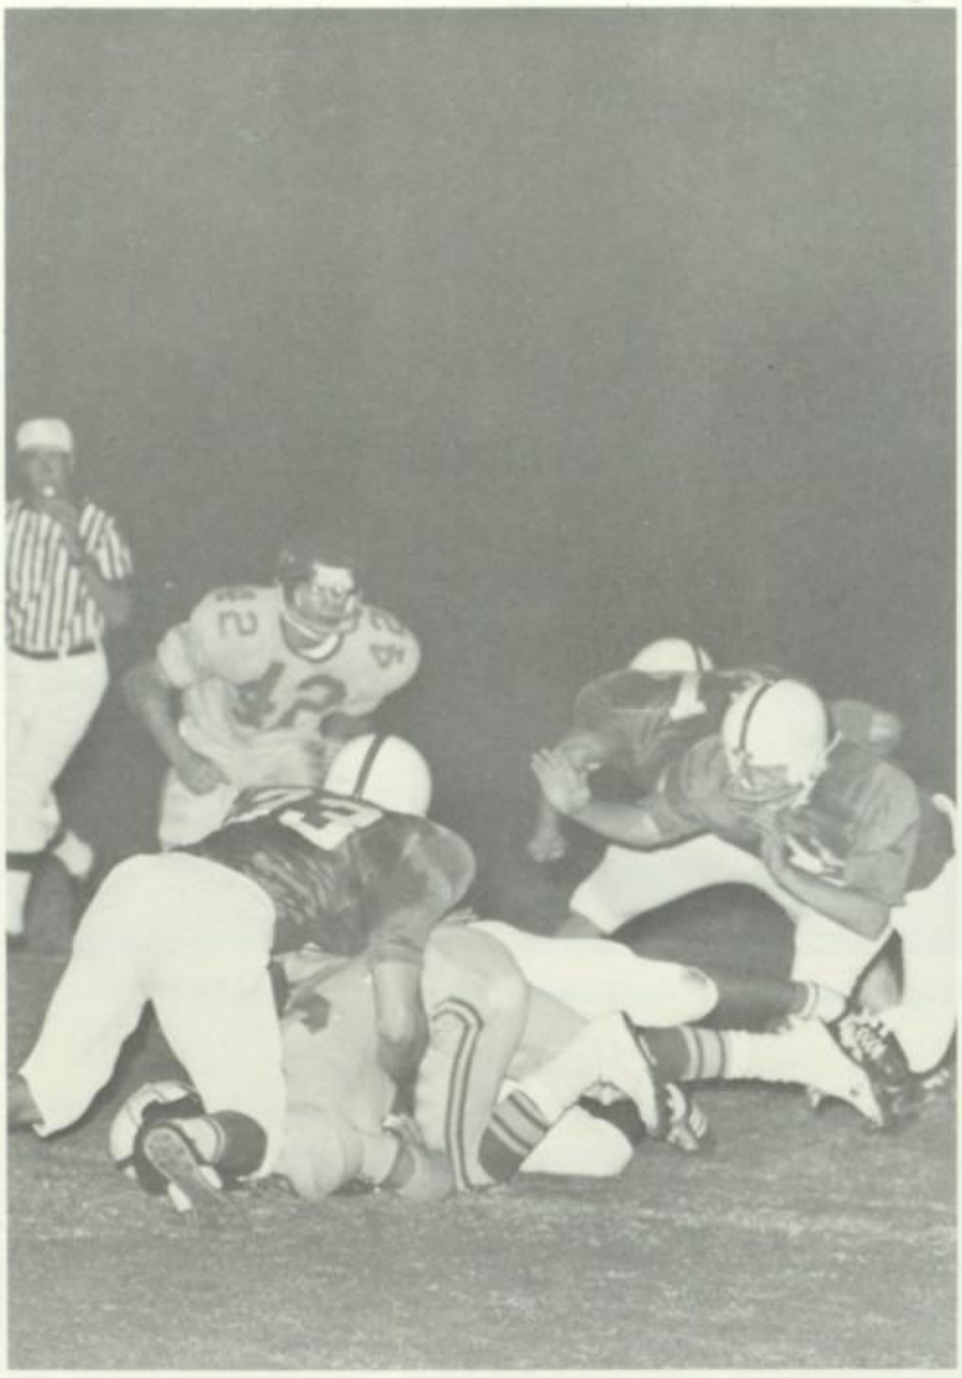
The Dons came back the next week to face the first of many teams who during the season would outweigh them; Warren, trouncing them 30-3.

Next, the Dons met Wilson. This was the first in a line of heartbreakers. Following the 15-14 defeat by Wilson the Dons were upset by Lakewood 14-12, Muir 21-20, and a very large Arcadia team, 9-6.

El Rancho's hopes for a fourteenth consecutive C.I.F. berth were killed when the Dons were defeated by Pasadena 28-7. They then went on to finish the season by losing to Montebello 20-8 and being disappointed by Alhambra 10-8.

Outstanding performances were seen by David Duarte, Dan Holmes, Richard Moraga, Steve Stobaugh, Don Tarango, and Mark Bailey.

Head coach Marty Mc Whinney's hopes are high for next year with seven juniors who will return to the Don lineup. They are Don Holmes, Fran Alberts, Joe Arton, Tony Aguirre, Gene Mendez, Gabe Ronquillo, and Graco Farrell.



Mark Bailey tackles a Wilson fullback. Mark Bailey breaks into the open in the Lakewood game. Against Muir, Roland Stumon sweeps left end led by Mark Bailey. Fran Alberts tackles an Arcadia back while Don Tarango and Richard Moraga assist. Roland Stumon and Mark Bailey defend against Alhambra receiver. Tony Aguirre pulls down Pasadena halfback. Joe Arton stops Pasadena halfback for a short gain.

Junior Varsity

The El Rancho junior varsity football squad had very few participants this year and as a result did not do as well as expected. However, the junior boys who did play did a good job against teams that were bigger and had more members on their squads.

Head Coach Don Peterson and assistant coaches Art Lopez and John Brennan, felt that the team would have had a better season if they had had better depth. Many of the players played both offense and defense and others played positions that they had never played before.

The offense was led by Hector Gonzales, and Art Munoz and the defense was spearheaded by Frank Morales, and Bobby Garcia.

Sophomore and Junior Sophomores

Head coaches Gary Taylor and Mike Sweeney and assistants Steve Endemano, Mike Forge, and Ross Bauer, guided the sophomore and junior sophomore football teams to Pacific league titles with 4-0-1 and 5-0 records respectively.

Tony Licitra, Mike Clark, Don Ketelsleger, Marshall Clayton and Robert Richards led the sophomores while Ray Castro, Angle Chavez, Dave Arismendez, Tony Esquer and Omar Socarras led the junior sophomores on to league titles.

Don Waterpolo

This year's Waterpolo team did well winning approximately half of their games.

They were involved in numerous close and exciting games in which the final score was decided in the last minutes of play.

Seniors Gary Martin and goalie Dan Marshall led the team through many tough contests. Junior Ralph Thomsen was also an outstanding player on the varsity squad.

Highlights of the season include participating in the consellation round in the Moore League Tournament at Belmont Plaza. They also won the consellation round at Monte Vista.

Coaches Doug Anderson and Jim Dyson have high hopes for next years team. There will be a few returning lettermen and a strong JV team moving up to play varsity. The team will be more experienced and will have more speed, which is an important factor.

The JV squad had a fine year winning most of their games and losing the others by small margins.

The Sophomores, though inexperienced, had their season highlighted by taking the first place trophy at the Cee Tournament at Nogales.

ER Swimming

This was a very rough year for the Don swimming teams. The small varsity swim team, consisting of only 8 players, had no seniors. With the abilities of three sophomores, Craig Arnhart, Omar Menchaca, and Joe Bojorquez, they hoped to see CIF. These swimmers were outstanding in all events. The varsity faced many very rough teams during their season. All teams were very competitive and Coach Anderson felt Pasadena was the roughest. This year El Rancho had no Junior Varsity swimming team. Both varsity and sophomore swim teams were very young teams, but their time improvements throughout the season were very pleasing.

El Ranchos' Soccer

This year the varsity soccer team had three of their top players disqualified for playing in another soccer league. This undoubtedly hurt the Dons as they had to forfeit their seven previous victories for playing with ineligible players.

Up until that point the Dons had a fairly good chance to make the CIF playoffs but the disqualification ruined all chances. The Dons ended the season with a 7-8-1 record.

As for next year the Dons varsity squad will be comprised of returning lettermen and some of this year' JV's forming a more experienced team.

In the Pioneer Tournament, the Cagers placed third with junior forward Fran Alberts being named to the all tournament team.

The Dons went into league play with a 7-6 record and hopes of beating third ranked Pasadena, but could not overcome their heighth disadvantage and were defeated 85-72.

The Dons defeated Alhambra by a score of 65-63, Muir twice by scores of 73-72 and 81-59 and in the last game of the year defeated Montebello 69-66 in overtime to clinch third place.

Co-Captains Buddy Hodson and Bill Fierro led the team and both averaged over 15 points a game. Junior forward Larry Velasquez was the team's third leading scorer and pulled down numerous rebounds.

After capturing third place in the CIF last year the El Rancho Gymnastics team was out to provide the Ranch with one of the most consistantly successful athletic programs. Although this has been in all practicality, a "building year for El Rancho's Gym team, they were number one contenders for the league title and worked hard to hopefully finish high in the CIF standings. Truly outstanding performances were turned in by captains Mario Sardon, and Albert Garcia (rings), Dan Montoya (all-around), Bill Duarte (side horse), Chris Vasques (parallel bars), Mike Moncayo, Ray Davis and Bob Yamoaka (free exercise), Larry Barron (long horse), and Louie Robles (side horse). Under the directions of Coaches Frank Mazzotta and Bob Turner, the team felt with a great deal of hard work they could possibly have placed in the top five in the CIF finals as well as having a very optimistic outlook for next year's squad.

El Rancho Golfers

The El Rancho golf team launched it's 1973 season with tough competition ahead for CIF championship. With only two returning varsity lettermen, the team was somewhat handicapped. One of the returning lettermen, and leading golfers was Chris Kleine, close to even par, who made All-Moore League team last year as a Sophomore. The other returning varsity lettermen was senior Joel Gilman who played in the fifth position on last year's team. The remainder of the team was made up of junior varsity returnees and many junior and sophomore players. Juniors who played their share of varsity matches were Mark Matthews, John Sahagian, Rey Avalos, and Gary Rudometkin. Chris Camacho, a sophomore, showed excellent chances of seeing varsity action next year.

Coach Joe Osterman tried to build the team into a "solid competitive unit" and develop depth in the squad performance which was neccessary to compete in the powerful Pacific League.

Entering the strong Pacific League against Alhambra, Pasadena, Montebello, Arcadia and Muir teams. Arcadia and Montebello were early favorites for Pacific League honors.

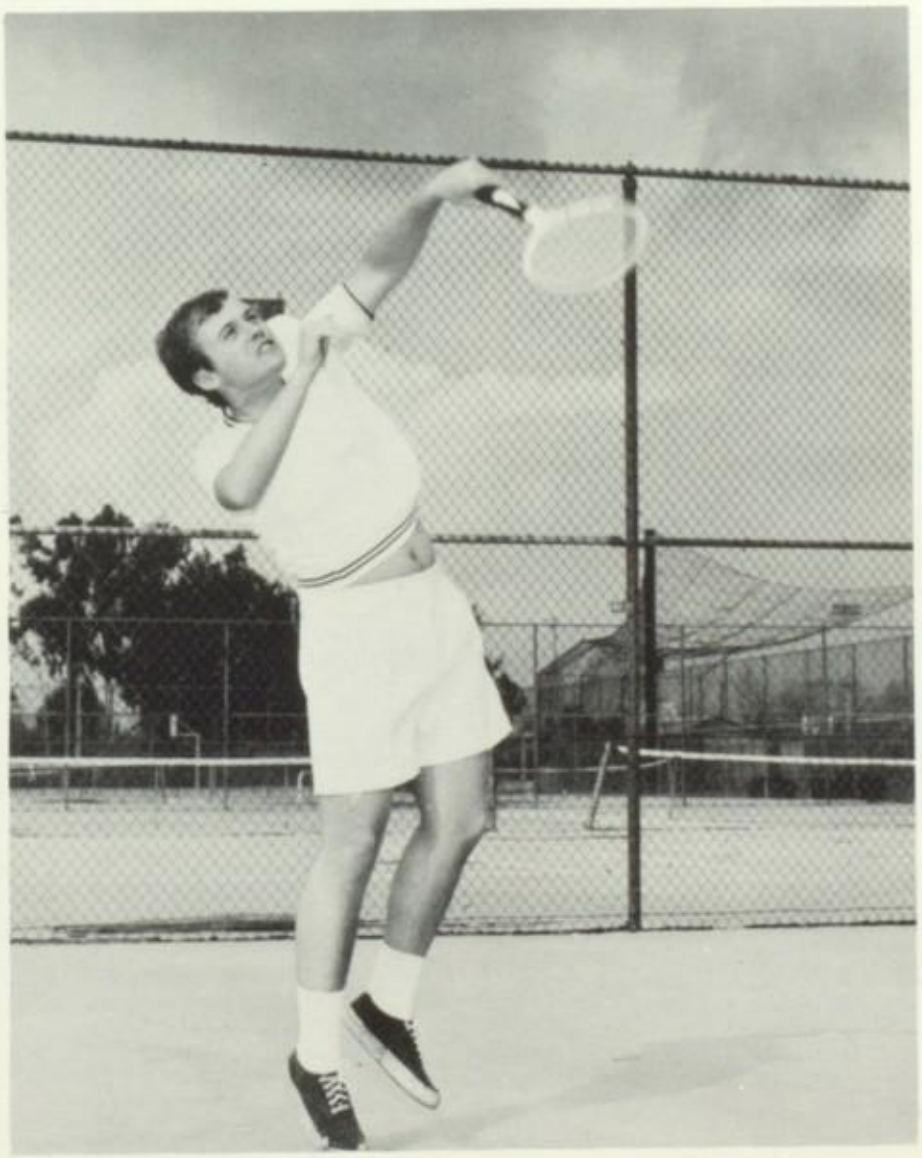
"Ranch" Racqueteers

This year's tennis team came up with a powerful squad in both varsity and JV teams. The success of the varsity team was partly attributed to the fact that there were five returning varsity lettermen. John Dea, team captain for the last two years, was one of the returning varsity lettermen who helped lead the team to the best season ever. Don Monte another returnee served with Dea as team captains. Other returning varsity lettermen were Tony Olague, Ray Elder, and Rocky Margiotta. Juniors Fred Peet and Mark Mata also added strength to the varsity team. The junior varsity team seemed to be more advanced this year than last year and had more experience even though there were no returnees from the previous year. Two juniors who looked promising were Hank Tencate and Doug Westhoff. Other hard working members were Mike Humes, Dave Hernandez, Kurt Barnett and Joe Rodriguez. Junior varsity Coach Steve Hartman hopes next year's varsity will benefit from this years JV team.



Don Baseball

The 1973 varsity baseball team returned to the Pacific League this year and had a fairly good season. Art Molina and Ed Marron were the co-captains and led the team with their excellent hitting. Steve Stobaugh, another lettermen, added sock to the Don's lineup.

The Dons pitching duties, were mainly handled by junior Tom Marchain who won many games with both his pitching and his hitting. Last year Marchain pitched briefly for the varsity and the added experience helped him.

The JV baseball team was made up of mostly juniors with a few of the better sophomores on the team. Junior Rick Skare was named captain of the team and led them with his fine hitting and fielding. Sophomore Paul Benavidez emerged early as the teams hitting star and was also brilliant on defense. Ron Rojas, Dan Cano, and Marshall Clayton handled the pitching responsibilities.

Under the direction of Coach Ross Bauer the Sophomore baseball team had a fine year. They had a good defensive team and scored around four runs a game. They had a strong pitching staff and were expected to place high in their league.

Roland Stumon puts the tag on a baserunner attempting to steal second. Art Molina bats an inside curve for an extra base hit. Coach Art Lopez reminds Steve Stobaugh, Ed Marron and Art Molina of the correct bat grip. Ed Marron digs a line drive from a batter. Albert Casas tags a runner attempting to score.

Softball

The softball team had a tremendous season this year under the capable and experienced coaching of Miss Julie Ellis. The girls put in many long hours of practice and time and again they proved to be tough competition for their Whittier League opponets.

Gymnastics

Only a second year sport, gymnastics has turned out to be very popular. Although it wasn't a competition sport, the after school turn out was very good nonetheless. Everyone participated in exercises which stressed flexibility, balance, and coordination. In general, gymnastics provided fun and recreation while keeping people fit.

Rosa Lopez fakes the spike and sets a dink over while teammates Pat Roth and Kathy Rogers observe. Gerry Ortega hits a hard spike into her opponent's court after a set-up by Pat Roth.

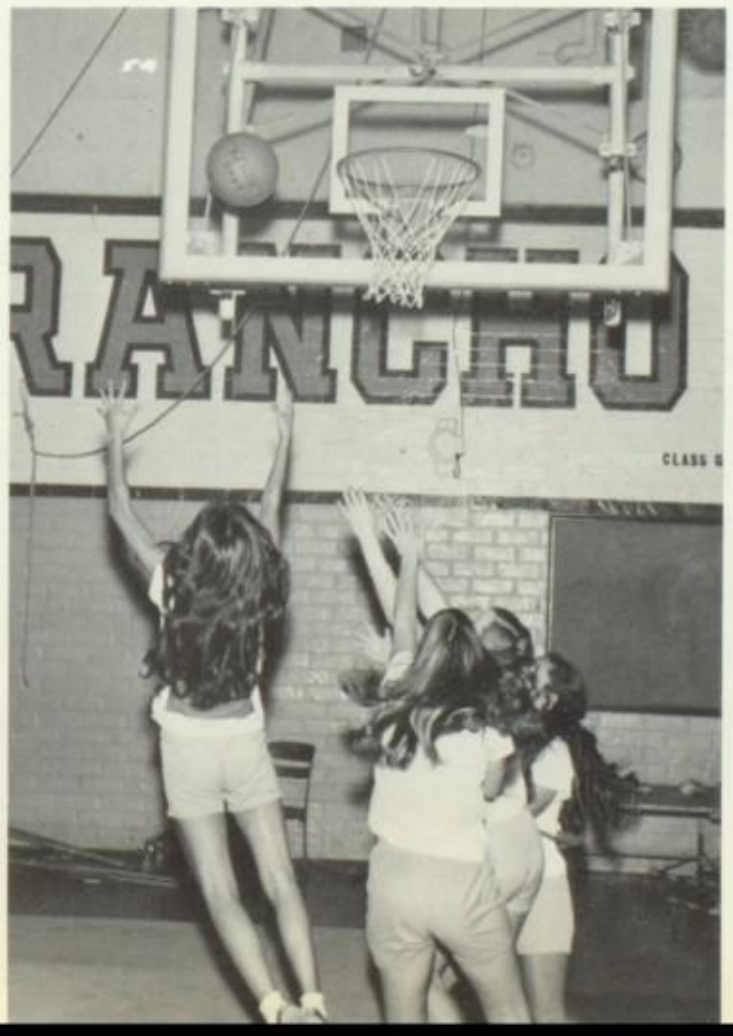
Volleyball

This year G.A.A. experienced one of their best volleyball seasons ever. The girls showed their serious intentions by not only attending daily after-school practices, but morning ones as well. Perfecting skills was a necessity and at times the drills seemed endless. But in the end they paid off as the team had a very successful season winning over many of their rivals.

Basketball

Perhaps one of the most exciting sports this year was basketball. The girls learned various ways of "sinking" shots while also learning the importance of quickness, speed, and endurance in a game that demands these elements. In competition everyone showed a great desire to play well and win. It truly turned out to be a rewarding season.



Swimming

A sport for everyone seems to be swimming. This year as always, G.A.A. swimming was heavily attended. Although most people came out just to relax after school we has some serious-minded swimmers as well. There were also some who were interested in diving and needless to say, spent their time up on the board. But whether serious or just out for the relaxation, everyone had fun and enjoyed themselves.

Two swimmers demonstrate the breaststroke.

G.A.A. Officers

In recent years the El Rancho Girls' Athletic Association has undergone many changes. However, the most recent and perhaps most important change was the acceptance of our G.A.A. into the Whittier League. Thus, the El Rancho G.A.A. ceased to be the small group which had offered practically only social activities and became highly competitive. Following this was the recognition G.A.A. had been denied in past years. Other changes include the offering of new sports and uniforms purchased two years ago for competitions. Without the unceasing dedication of the advisor, Mrs. Dorothy DeLane, most of these changes would have been impossible. It gives me both satisfaction and happiness to see G.A.A. beginning to serve the purpose for which it was intended.
